Unique Approach

A unique feature of the award-winning local campaign was that it linked together appliance dealers and clothing stores. Clothiers displayed laundry equipment during the activity, and appliance firms displayed wash-and-wear and stay-pressed clothing.

"Waltz Through Washday" was a joint undertaking of appliance dealers, retail clothing stores, advertising agencies, and the utility company, through a "local action committee."

Honolulu and seven other communities also were honored at a national "Waltz Through Washday" luncheon held in Chicago.

Standard Deductions May Be Made For Sales Tax

Taxpayers in Illinois may use a state sales tax table as a guideline when preparing their 1965 federal income tax returns. J. G. Clegg, director of central and southern Illinois, said that for the first time since it was introduced in 1960, the table has been printed in the tax instructions which are mailed to tax payers.

The table is based on a 1960-61 study of consumer spending patterns by the Bureau of Labor Statistics and shows the average amount of state sales tax paid by Illinois residents. The table may be used by taxpayers who itemize their federal income tax deduction. Similar tables have been prepared for 39 other states and the District of Columbia.

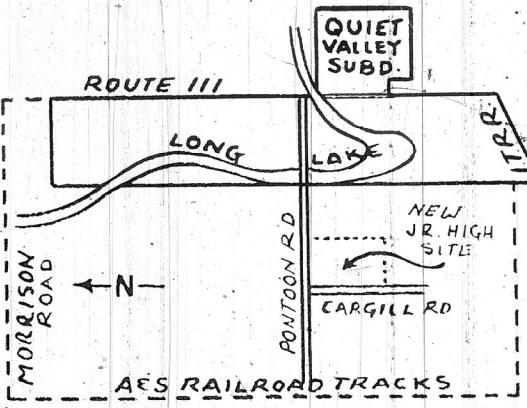

The table omits the state sales tax on automobiles purchased. Taxpayers who purchase an automobile may add the sales taxes paid on the purchase to their federal income tax returns. Similar tables have been prepared for 39 other states and the District of Columbia.

The table omits the state sales tax on automobiles purchased. Taxpayers who purchase an automobile may add the sales taxes paid on the purchase to their federal income tax returns but who wish use a "standard" amount for state sales tax which

ILLINOIS 1965 STATE SALES TAX TABLE

If you itemize your deductions, you may be entitled on Form 1040, page 2, Part V, to deduct the largest amount you are entitled to deduct that amounts to 2½ percent Illinois state sales tax and the 2½ percent city sales tax. The amounts of automobile purchases are not included in the table and should not be added to the table amount if applicable.

PROPOSED AREA OF ANNEXATION for the village of Pontoon Beach is shown by the dotted line in the above sketch by a Press-Record artist. The new area would be bounded on the north by Morrison road, on the west (bottom of sketch) by the Alton & Southern Railroad tracks, on the south by a Nameoki township section line and on the east by the present village boundary. Also shown is the location of the new junior high school 20-acre tract for which the Granite City school district has petitioned the city for annexation in order to get sanitary sewer connections.

GC Proceeding for Jr. High Site Annexation

Concern over the annexation proposal by the village of Pontoon Beach to expand its high school was expressed Monday night by Granite City trustees. The school board received a request from the Granite City school board for the annexation of the site for a new junior high school.

The 20-acre tract on which the new junior high school is at the junction of Pontoon and Cargill roads and is within the estimated 700-acre tract sought by the village. Granite City council members told the city attorney, Richard Allen to proceed with an ordinance for annexation to be presented at next week's meeting. The aldermen also asked that Cargill, John R. R. Miller be apprised of the contemplated action in event it might have any bearing on the petition for annexation filed with the judge this week by Pontoon Beach Village President Thomas Stuckey.

The school board had authorized the request for annexation of the junior high school site at its Feb. 23 meeting and the petition for annexation with about 200 signatures was turned over to Pontoon Beach village board of trustees the next night—last Thursday.

The city council went on Monday night to place on first reading a resolution to present a contract to be entered with the school district for a sewer line to the new junior high school building. The transportation committee of the city council voted to do the field work for the city.

Also placed on file by the county auditor in his action in order to comply with the school dis-

trict's request for annexation is a letter from Leonard Cuchna, 1617 Lindell Blvd., father of Granite City University-Southern Illinois student, seeking bus service between the Quad-Cities and the new campus. Copies also were sent to Cuchna by Bi-State Transit.

Another voter was taken on Mayor Parney's 30-day appointment letter of Mrs. LaVesta Irwin as secretary for the police department. The vote of the council was a 7-to-2 tie, and Mayor Parney said he would seek another voter.

Voting for the appointment were Aldermen Rutledge, Whiteman, Dallas, Morel, Sternberg, Thompson, Paulsen, and Neiman, Basarich, Bartons, Johnson, Boyd, Robertson and Reilly. Kans.

He previously served a five-year tour in Europe. Mr. Thompson, daughter of Mr. and Mrs. Max Schubert, 2315 Lincoln Avenue, and her two children will reside in Granite City while he is in Viet Nam. Sgt. Thomas' home is at San Diego, Calif.

Mrs. Hilda Buzan, recording

Youth Focus

String Ensemble to Play For 'Pinafore' Operetta

A string ensemble from the advanced mixed chorus of Granite City high school orchestra will play the overture and his cousins, aunts, sailors and marines.

High school faculty members assisting in the production are the stage manager, director, stage manager, stage sets; Sonya Atkinson, makeup; and James Oliver, props and scenery.

The opera, directed by Warren G. Simpkins, will be performed at 8 p.m. on Thursday and Friday of next week in the school auditorium. Reserved seats are now on sale for the March 10-11 production.

Mrs. Vasil Vasileff, a violinist and orchestra teacher in the school system, has trained the students. They are:

First violin, Mrs. Esther Vasileff, Kathy Jones, Linda Randal, Karen Karpman, violin; Donald Grindstaff and Donald Bode; viola, Alta Bollinger; cello, Allison Wallis; and stringed bass, Don Shewell.

Piano accompanists for the advanced mixed chorus will be Janice Veizer and Kathy McCalla.

Simpkins said this is the first time in many years that a high school string ensemble has accompanied an operetta performance, and he commended Mrs. Vasileff and her students in their work.

Principals in Cast

Principals in the cast are Stanley Hoffman, Leslie Hall, Emery Ackerman and David Schwendemann. Principals in the off-cast are Jo Crevier and Mary Galloiany, Jenny Myers and Sharon Koch, Phyllis Bell and Mary Tapp. Other members

Teen Town Dances Set All-Time Monthly High

Teen Town's average attendance at the Saturday evening dances reached a new all-time high for a month during June, 292, with four dances averaging 70 per session.

Three of the dances were over the previous high of 670 for one dance, set last Nov. 27. The highest single dance date was 26 with 735.

The band for the dances is the Coachmen, a local five-piece group, which performs from 8:30 to 11:30 p.m. The same day school schedule will continue in March. Admission for Teen Town members is 25 cents, with non-members paying 50 cents.

Three Area Students Complete Degree Work

Diplomas are being prepared for three Quad-City students of the University of Illinois who have completed degree work and are to be mailed to them in about a month.

They are David Russell Hancock, a freshman in Peck classroom building, with Price Doyle, national executive secretary of the fraternity and former president of the National Association of Fraternity Music, serving as installing officer.

Thirty members of the Epsilon Kappa chapter at SIU's Carbondale campus will participate in the ritualistic exercises.

Following installation ceremony will be held at 8 p.m. in the Peck classroom building, with Price Doyle, national executive secretary of the fraternity and former president of the National Association of Fraternity Music, serving as installing officer.

Speaker at the banquet, to be held in the Lovejoy Library, 6 p.m., will be Dr. Marvin J. Joseph, vice-president for academic affairs at SIU, who will talk about "Music's Role in the University."

All area Sinfonians are invited and may make reservations by calling the music faculty office at the Southwestern Campus.

Miss Dowdith Vies for Belmont Campus Crown

Donna Dowdith, daughter of Mr. and Mrs. W.H. Cedric, 1715 Fifth street, Medina, will participate in a campus-wide beauty contest Saturday at Belmont College, Nashville, Tenn.

Miss Dowdith, a junior majoring in history, will compete for the crown. Miss Tower, representing the Beltones, judges based on pose, beauty, talent and charm.

The annual event is sponsored by Belmont's yearbook, The Tower.

Chamber Concert Set Tuesday at New Campus

The well-sustained concert of the Chamber Orchestra of Southern Illinois University-Southwestern Campus will be held at 8:15 p.m. Tuesday in the second floor corridor of the John Mason Peck classroom building. The concert had been scheduled for Feb. 11, but was postponed due to bad weather.

Under the direction of Dr. John Kendall of the University's Fine Arts Division, which is presenting the concert, the orchestra will play Mozart's "Symphony in A Major," "Overture Hearing the First Cuckoo of Spring" by Delius, "Concerto Piccolo" by Bussell Phillips, and "Concerto in D Minor" by Vivaldi-Silotti. The corridor concert is open to the public without charge.

Granite City, Ill.
GL 1-7690

20-FOOT HIGH hot metal ladle looms big at the construction site for the Granite City Steel Co. basic oxygen furnace plant in the behind-the-mill area. To the right is the beginning of the structural framework for three double chamber electrostatic precipitators, key units in a high efficiency system for cooling and cleaning waste gases from the furnaces that will put

an end to the orange smoke now coming from the open hearth furnaces. The new BOF plant, part of the firm's multi-million dollar expansion and modernization program, will have a rated annual capacity of 2,200,000 ingot tons when it "goes on stream" in 1967. In the foreground is a huge section of steel sheeting.

Ernest Pinkley, 72, Succumbs in Hospital

Ernest Edward Pinkley, 72, of 3624 St. Louis Avenue, St. Louis, died at 1:15 a.m. Wednesday at Cochran Veterans Hospital, St. Louis, where he was a patient for six days. He was ill for the same period.

He is the father of Harold Pinkley, 46, who lives in St. Louis for 25 years and was employed as a jayitor at the Bussman Fuse Co., St. Louis, before retiring six years ago.

He was a member of Disabled American Veterans Chapter No. 11 of St. Louis, Veterans of World War I and the Baptist Church.

Besides his son, he is survived by his wife, Mrs. Stasha Pinkley, two sisters, Mrs. Mabel Gibbs, Roselle, Mo., and Mrs. Ella Gruninger, Denver, Colo.; four grandchildren.

An obituary notice appears elsewhere in this issue.

TENTH BIRTHDAY
OF LINDA CHASTAIN

Linda Chastain celebrated her tenth birthday Sunday with a party given by her parents, Mr. and Mrs. James Chastain, 41 Mooreland Drive, who served food and refreshments were served. The honoree received a birthday cake.

Those present were: Dobby Terrell, Dale, David, Clark and Terry; Pauline Bernadette Henderson; Marcia Futch, Brian and Kim Chastain, Diana Dunn, Carrie, Karen Dako, Donna Cann, Nita Barlow, Sue Hollar, Sherri Koly, Blochberger, Marilyn Bryron and Cindy Brooks.

RETURN FROM SOUTH

Mr. and Mrs. Bill Steen and daughter, Pam, 19, returned from a vacation in the south. They visited at the 11th colloquium at 7:30 p.m. Tuesday in the Lovejoy Library at the Southern Illinois University-Southwestern Campus. It is being sponsored by the science and technology division.

Prof. David E. Troutner, chairman of the department at U. M., will describe several problems now under investigation using the nuclear reactor recently acquired by his university. It is open to the public without charge.

Those present were David Russell Hancock, a freshman in Peck classroom building, with Price Doyle, national executive secretary of the fraternity and former president of the National Association of Fraternity Music, serving as installing officer.

Kahoks Down GC; Alton Faces Trojans Tonight

Venice Ousted in First Round; Warriors Lose in Regional Semi-Finals

Madison's Trojans are the only Quad-City prep basketball team with a chance to win the Wood River regional cage tournament. The Trojans will face the Alton Redbirds at 8 o'clock tonight in the Wood River gymnasium in a semi-final contest.

Granite City gave the Collinsville Kahoks a lot of trouble last night before the Warriors' semi-final game was called off at 7:45 to Collinsville.

Collinsville jumped to an 8-1 lead before a Terry Moore layup and two Jim Hentzel jump shots put the Warriors back in the contest early in the first period.

Kahoks still led 17-15 after a 10-second lead by Elmer Wortham made good a rebound attempt with five seconds left in the period to tie the score at 17-17.

Granite City came back and took a 20-19 lead, but the Kahoks were ahead 35-30 at intermission. Moore tied the game at 40-40 early in the third period, and Hentzel put Granite City ahead 42-40 with a pair of free throws.

Moore scored another basket and Larry Ripka hit three straight jump shots to give the Warriors a 48-42 lead. At the end of the third period, Granite City held a slim 53-51 lead.

Kahoks Take Lead

The poised and tournament-savvy Kahoks rebounded from a 10-second lead to grab a 68-58 lead with the clock showing 4:40 left in the contest.

Burton scored in the final period to ice the victory for Collinsville. With a 23-14 advantage in the fourth quarter, the Kahoks finished seven points ahead.

Warrior coach Ralph Sackett, a former player under Collinsville mentor Vergil Fletcher, gave his coaches a lesson in the use of a full-court press. The Kahoks committed 16 turnovers while Granite City committed only 10.

Collinsville outrebounded the Kahoks 39-23, despite the loss of ace Tom Parker with 7:25 left in the final quarter.

Burton won scoring honors for the evening with 30, and teammate Don Arnold netted 17 points. Parker added 12.

(Continued on Page 7, Col. 1)

PRESS-RECORD • SPORTS •

Page 6 Thurs., Mar. 3, 1966 Granite City PRESS-RECORD

'Don Freeman Day' Ends Great Career

The climax to seven great years of prep and collegiate basketball will arrive before the last college game of the season is over on March 11. It will be held Saturday afternoon at Champaign.

COLLINSVILLE 74, GRANITE CITY 67

Individual Scoring: Collinsville—Burton 30, Arnold 17, Parker 25, Estes 5, Ripka 11, Birt 10, Brinkman 2, Brumfield 2, St. Pierre 2. Granite City—Hentzel 25, Moore 18, Ripka 11, Wortham 10, Parker 3, Lusk 3, Bailey 17, 15, 19, 23—18, 19, 74, Callville 17, 13, 23, 14—21, 19, 67.

Trojans Down Oilers

Paul Lusk pulled down five rebounds, hit three free throws in as many shots, and added a pair of free throws in the first quarter to lead Madison over Wood River Tuesday.

Later in the week, Don nearly missed the third-team All-American squad picked by the AP but was the second most-motivated for Honorable Mention on the team.

Scoring Marks

Don last week set new Illinois scoring records for single season and career points. Currently he holds career marks of 1365, breaking Dave Downey's former record of 1360, and a season total of 574, breaking John "Red" Keltner's 551 record.

"I think my record will be increased in Saturday's season-ending game."

More than 230 tickets have been sold here for the Illinois-Iowa game Saturday on "Don Freeman Day," and committee chairman Vasil Graville said Friday

(Continued on Page 8, Col. 1)

will be the last day tickets may be obtained.

Tickets can be purchased through the office of Sup't. of Schools Wensel Brown, 1707 Fourth street, Madison, or at the door, 10¢ each.

"We just couldn't let the basketball kid down," said Sackett.

"As for the year, it was a success. We all did well, performed fantastically," concluded the first-year Granite City cager.

GRANITE CITY 74, WOOD RIVER 67

Individual Scoring: Granite City—Hentzel 25, Moore 18, Ripka 11, Wortham 10, Parker 3, Lusk 3, Bailey 17, 15, 19, 23—18, 19, 74, Callville 17, 13, 23, 14—21, 19, 67.

Plans for the day's activities include halftime presentation of the award to Freeman by his former high school coach, Earl Clauncher, the current basketball coach at Madison high school.

A get-together of the Illinois basketball squad, joining the likes of Madison's Carl Brumfield and Peoria's Doug Schlueter.

The Trojans used their full court press to good advantage as the Oilers committed nine turnovers in the first period, including four steals.

With 18:37 left in the period, Lusk took an early 9-3 lead and ran it up to 18-7 by the time the period ended, as all Trojan starters scored on field goals.

Both teams' top perimeter belonged to Lusk and area scoring leader Dale Turner as Madison held onto its lead.

Turner hit on a pair of baskets in the second period and helped the Trojans in scoring. Lusk also sank two baskets, hit on a charity shot and grabbed seven rebounds.

WILLYA REPEATS ON THIRD ANNUAL ALL-SOUTHWESTERN CONFERENCE TEAM

LARRY RIPKA
Granite City

RONALD BURTON
Collinsville

BILL SNELLINGS
Belleville

JOE WILEY, BELLEVILLE

Wiley Repeats on Third Annual All-Southwestern Conference Team

Joe Wiley of Belleville is the only repeat player on the Press-Record's third annual All-Southwestern Conference basketball team. Sharing first-team honors with him are Tom Parker and Ronald Burton of Collinsville, Larry Ripka of Granite City and Bill Snellings of East St. Louis.

The team was selected by the conference coaches. In the balloting, five points were awarded for first-place nomination, and three points for second-team selections.

Members of the second team are Mickey Moore of Edwardsville, Jim Bailey of Wood River, Don Birger of Collinsville, John Logras of East St. Louis, and Rodney Spunner of Granite City.

Coches took part in selecting the team. Larry Fletcher of Granite City, Ralph Stewart of Alton, Dick Dehner of East St. Louis, Dean Calvin of Wood River and Robert Gregor of Edwardsville.

Wiley, Parker and Snellings were unanimous choices of the coaches. Ripka and Burton had a good point lead over the second team members.

Standing 6'3", Wiley has been instrumental in the success of the Maroons this year in capturing the Southwestern Conference title and downing the Collinsville Kahoks twice in the season.

Sporting the second best scoring average in the conference (20.0), Wiley has netted 501 points in 25 games for coach Jerry Turner this season.

The senior forward has been labeled "all-state material." Last year, as a junior, he held a 15.6 scoring average and a 12.0 rebounding average.

Tom Parker developed into an outstanding forward at Collinsville this year. The sophomore cager has a scoring average of 19.1 points per contest.

He is a better-than-average free throw shooter, he holds a 73.5% mark at the charity stripe.

Parker has pulled down 210 rebounds for the Kahoks and also been credited with 69 assists.

The only sophomore on a Press-Record all-Southwestern Conference basketball team, Parker stands 6'4" and has the moves of a guard.

"He's got a lot of promise for us in the future," said coach Fletcher. "After all, being all-conference as a sophomore does show promise doesn't it?"

Belleville's "big man" Bill Snellings, a 6'7" pivotman, was another unanimous selection of the coaches.

"A sensational rebounder, Snellings also sports a scoring mark of 16.0 points a contest. The peak of his senior year came in the second conference game against Granite City, where he poured in 32 points to lead the Maroons past the Kahoks for the SW title.

"He always seems to come through with clutch performances, when the games get tougher, he plays better," said Belleville coach Jerry Turner.

All-Southwestern Conference Cage Squad

Player	School	Ht.	Yr.
Tom Parker	Collinsville	6' 4"	Soph.
Joe Wiley	Belleville	6' 3"	Senior
Larry Ripka	Granite City	5' 11"	Senior
Ronald Burton	Collinsville	6' 4"	Junior
Bill Snellings	Belleville	6' 7"	Senior

SECOND TEAM

Player	School	Ht.	Yr.
Mickey Moore	East St. Louis	6'3"	Sen.
Jim Bailey	Wood River	6'4"	Sen.
Don Birger	Collinsville	6'0"	Sen.
John Logras	E. St. L.	6'1"	Jr.
Rodney Spunner	Alton	6'2"	Jr.

HONORABLE MENTION

Player	School	Ht.	Yr.
Forrest Wells	East St. Louis	6'2"	Sen.
St. Clemons	Belleville	6'1"	Sen.
Harrison	Wood River	6'0"	Sen.

Quick-thinking Larry Ripka is often given first-time recognition from the coaches. A 5'11" senior, he leads the Warriors in scoring with a 17.1 clip and in assists with nearly 10 a game.

The bulk-handler on offense, Ripka has shown great accuracy with his jump shot from the key leading Granite City to a surprising 15-12 season after the Warriors lost four of their first five games.

Ripka led the Warriors with 31 points against Peoria Richards in the Pontiac holiday tournament this season.

Ronald Burton, 6'4", forward of the Kahoks, is the fifth man and the only junior on the team.

A better-than-average free throw shooter, he holds a 72.4% mark at the charity line and a 16.6 points-per-game scoring average.

Burton has grabbed off rebounds for the Kahoks this season and has been selected as one of the conference's top five rebounders.

With Burton and Parker returning next year, the Kahoks will remain in contention for conference and area honors in 1966-67.

The all-conference quintet has combined to score 2342 points this season, or an average of 81 a game, 19 per player.

Their scoring average is below the 21 points of the 1965 all-star but in rebounds this year's group averages 12 per man, two more than the 1965 squad.

Mickey Moore of Edwardsville, second team selection, was an all-star in 1965.

Belleville won the conference championship with a 11-1 mark, Collinsville was second with 10-2, East St. Louis third with 6-6, Granite City and Edwardsville tied for fourth with 5-7, Wood River sixth with 3-9, and Alton seventh with a 2-10 mark.

License Needed For Fox, Crow

Fox and crow hunters must have valid hunting licenses in their possession unless they reside on the land where they're hunting the Illinois Department of Conservation announced today.

William T. Lodge, director of the department, said that some hunters evidently do not realize that, even though no season or limit is set on foxes or crows, they are still considered to be protected species under the Illinois Game Code.

"The only person who is not required to have a license while hunting is a landowner or a tenant hunting on the property where he lives," Lodge said.

"All other hunters must have a valid license in their possession when hunting and must show it to a conservation officer when requested to do so."

wards and had to forfeit when it was discovered that one of the players was ineligible.

In the past six years, Granite City has tied for 10th place in conference championships (1963) and state runner-up honors (1965). The following year, the Warriors won 25 and lost nine to the championship except that they won a game against Ed-

MUSTANG

LESS THAN \$2198

HERE'S WHY IT'S JUST GOOD HORSE SENSE TO BUY NOW!

LOW COST. The standard Mustang with the 6-cylinder engine built its reputation on low price. It's a lot of car for the money. **HIGH RESALE.** What's more, Mustang's unmatched success assures you it's one of the most-wanted cars in America. You'll get top dollar at trade-in time. **LUXURY FEATURES.** Bucket seats, sports steering wheel, new 5-dial instrument cluster, padded

instrument panel, pleated vinyl trim, outside rear-view mirror, wheel covers are standard no-extra-cost items. **Famous Mustang Style.** Starts with the long-hooded, lean look of excitement. Nobody has matched it. **Hot Performance.** Pleasure action from the standard 200-cu. in. Six. You'd swear it was a V-8. And there are three optional V-8's! **Immediate Delivery.** Hurry.

Contract Talks For Ice Rink

Completion of the ice rink and recreation center for Granite City took another step forward Monday evening as the board of park commissioners met with architects to discuss details of their contract.

Barry Loman, president, said the board of architects and the process of getting the contracts "finalized," and that a deadline for completion of specifications will be set soon.

"The contractors get the specifications to us on an expected date; bids for the construction can be sought almost immediately," Loman added.

Regular or Slim. 8 to 12. \$4.98. Preppie sizes \$5.98. JUST RECEIVED! Sta-Prest White Levi's in cactus and sand. Sizes 27 to 38. \$5.98.

Cahokia's Mark Catlett Edges Past Joe Wiley

Cahokia's Mark Catlett has slipped into the number three spot in the top ten scorers for the season.

With brilliant performances of 27, 17, and 37 points in his last three games, the 6'2" center boosted his average to 20.05 points a contest.

Wiley, meanwhile, has an average of 20.04. He has scored 501 points in 25 games, while Catlett has netted 502 points in 25 contests.

A pair of Midwestern Conference rivals continues to lead the scoring race, with Dale Turner of Madison the closest to the top of the Mountain of Height in the No. 2 spot.

Since tournament play began, Turner's average has dropped to 12.02, while Wiley's has gone down to 12.01 points per game. With Manwaring is the only player with a remote chance of catching the blazing-hot Turner.

Manwaring, only a junior, has 542 points in 24 games for 22.54 points.

Tom Parker, Collinsville's scoring ace, was limited to only 12 points against Granite City last night and dropped to 11.50 points in the last two contests.

In the 25 games, the sensational sophomore has scored 496 points for a 19.1 average.

The high-scoring Venice guard, Rich Essington, has done well with an average of 18.3 points per contest. Double-teamed and often triple-teamed against Granite City Monday night, the lightning-quick Essington netted 18.1 points in the first half of the game.

Dupo's Dennis Cook and Venice's Percy Dillon are tied for seventh place with identical scores, 18.1 points a game.

Completing their senior years, both have played in 27 games and scored 506 and 505 points, respectively.

Jim Bailey of Wood River, just returning to the lineup after being sidelined with a knee injury, is ninth with 18.1 points a game.

Another player who missed several games, 11 to be exact, holds tenth position in the top ten scorers.

HOMEMAKERS PLAN TEA

Mrs. Emerald Lewis, second vice-president of the Madison County Homemakers Extension Association, assisted by Mrs. M. J. Hill, presided over a meeting early this week at the Farm Bureau building in Edwardsville. Topic was a "new membership," tea which will be held March 28 at the Farm Bureau office. It is for all members joining the association during the past year.

A book review was given by Mrs. Dallas Harrell. Mrs. Velma Neuman of Granite City was among six district vice-chairmen who attended.

A weekly meeting was held on Den Three of Cub Pack 13, sponsored by the Holy Name Society of St. Paul's Church. Guests in the home of the den mother, Mrs. Louis Brusati, 2211 Maylley avenue, Monday afternoon. Refreshments were served by the assistant den mother, Mrs. Ray Urano.

The ceremony was opened with a Flag ceremony by Dan Sede and Brad Bickhaus, who also led the flag pledge. The cubs recited the Pledge of Allegiance.

Mrs. Brusati announced the new theme of the month, "King Arthur and the Knights of the Round Table," and a craft was made on the project. Contracts, arms, shields and swords of King Arthur's day were explained. The cubs made paper patterns, shield designs and star-shaped masking shells out of corrugated paper.

The meeting closed with two verses of the "Star Spangled Banner." Also present were Mr. Koenig, Mark McElroy and Joe Urano.

YAHZEE CLUB MEETS

A monthly meeting was held Monday evening in the Yahzee club in the home of Mrs. Eleanor Smith, 2439 Edwards street, with one new member, Mrs. Barbara Bailey, present.

The evening was spent playing "Yahzee" and the houses presented Mrs. Brenda Dusek with a prize as the winner. Mrs. Carol Hendricks received low score.

A buffet luncheon was served by Mrs. Smith. Guests named and Mrs. Maggie Williamson, Mrs. Sharon Heyne, Mrs. Sandy Schefke, Miss Gertie Haine and Miss Beth Haines.

Mr. Bailey will hold the March 17 meeting in her home, 3632 Ash avenue.

Den Three of Cub Pack 46, sponsored by Nameoki school, met Monday afternoon in the home of its den mother, Mrs. Marge Peters, 4117 Old Alton road, opening with the pledge led by Jeffery Frey.

The cubs started making shields in keeping with the theme of the month, "Knights of the Round Table." They will display them at their next pack meeting. The meeting closed with the boys reciting the cub motto.

Also present were Dwayne Peters, Randal Shrum, John Thomas, Jeffrey Frey, Mike Haldeman and Mike Nunn.

FROHARDT TROOP MEETS

Brownie Troop 738, sponsored by Frohardt school, met Tuesday with the leader, Mrs. Pat Winters, 1251 Riverfront, and a weekly campout opening with the pledge and Brownie promise led by Laurie Corcoran. Roll call and Brownie gold were handed out by Barbara Roney and a report was given by Lori Winters.

The afternoon was spent with the girls finishing "sites-upons" they had been making for the past few weeks. The meeting closed with the singing of "Taps."

Also present were Mabel Parker, and Jana Beckett, Mary Jo Cason, Connie Corzine, Lynn Feilman, Sheila Sherrie Harmon, Kim Kitchen, Maria McGarvey, Alice Miller, Beth Mobley, Donna Parker, Karen Stawar, Dawn Wallace, Debbie Melton and Carolyn Wallace.

Darlene Arakaki, daughter of Mr. and Mrs. Reginald Arakaki, 2140 Miracle avenue, attended Lewis Hospital in St. Louis Monday for tests. She is a kindergarten pupil at Maryville school.

Neighbors Five Jesters, Girl Scout leaders are planning to participate in a tree-planting ceremony at 4 p.m. Tuesday, March 8, in Le Park, Venice. "Outdoor Skills Day" will be held from 9 a.m. to 2 p.m. March 12 at the Lewis and Clark park. The leaders are to take sack lunches and bring a yard of rope, a "stupon" and a potato.

An international dinner is to be held March 29, with Neighborhood Five serving as the clean-up committee. Location is to be announced later. The theme will be "All-American Girls."

NAMEOKI CUB SCOUT: BLUE AND GOLD BANQUET

A blue and gold banquet was held early Saturday at the Cub Pack 46 sponsored by the Nameoki school, in the school cafeteria. The opening flag ceremony was by Boy Scouts of Troop 46, also

sponsored by the school. The dinner was won by Paul Stayduhar. A family style dinner was served by den mothers, with all decorations made by the cubs at their den meetings. Center pieces and the quota of cancer dressings for January and February has been turned in, and on March 9 ladies of the church will cut and sew more.

Program for the evening, held in the school auditorium, was "Keepin' the Ladies of the Kitchen Band."

Bobcat pins were presented by the cubmaster, Jim Sennett, to Allen Myers and Glenn Dillard. Cub badges were awarded to Bruce Elliott, Craig Baley, Chris Lewis, Phillip Jones, Larry Rice and Paul Stayduhar, who also received a gold arrow and your den arrow.

The cubs announced the March theme, "Knights of the Round Table." The cubs are to make shields, wear armor and sit at their den meetings for display at the next pack meeting, March 24 in the school cafeteria. A committee meeting will be held March 17.

DISTRICT BRIDGE COMPETITION HERE

District bridge winners in Southern Illinois-Paducah area competition held a monthly meeting at the Elks Club here.

Arms, shields and swords of King Arthur's day were explained. The cubs made paper patterns, shield designs and star-shaped masking shells out of corrugated paper.

The meeting closed with two verses of the "Star Spangled Banner." Also present were Mr. Koenig, Mark McElroy and Joe Urano.

NAMEOKI CUB SCOUT: BLUE AND GOLD BANQUET

A blue and gold banquet was held early Saturday at the Cub Pack 46 sponsored by the Nameoki school, in the school cafeteria. The opening flag ceremony was by Boy Scouts of Troop 46, also

revised from Mrs. Betty Flynn on Hammond and Mrs. Louise Anderson on finances, and Mrs. Louise Britton on the quota of cancer dressings for January and February has been turned in, and on March 9 ladies of the church will cut and sew more.

Plans are being made to attend a St. Louis television show, Mrs. Lucretia Wright gave a talk on new and different ways the church will be given by Rev. R. Johnson of Madison. Mrs. Sandy Cavar, Mrs. Dolores Ziegler and Mrs. Starling, who received gifts from their secret pal.

Plans are being made to attend a St. Louis television show, Mrs. Lucretia Wright gave a talk on new and different ways the church will be given by Rev. R. Johnson of Madison.

Other guests were Mrs. Maxine Jones, Mrs. Beverly McRaven and Mrs. Elaine Parrish.

Mrs. Lucretia Wright invited the club to meet in her home, 3211 Edgewood drive on April 14.

FAMILY NIGHT

POTLUCK DINNER

Hope Lutheran Church held a family night potluck dinner at the church during the week about 30 members and guests attending.

Fremont Arbeiter was master of ceremonies and a highlight of the program was the progress of the new church construction entitled "Rise Up and Build."

Personal slides shown by Earl Page were shown.

Don Simon, sound technician of Hope, presented a sound tape composed of ceremonies taken from Hope's sound library.

The program ended with a Vesper service in the new church.

BRIDAL SHOWER FOR MISS OBUCINA

Miss Kathleen Obucina was honored with a bridal shower yesterday, given by her bridesmaids at the American Legion Home.

CUB PACK 17 BANQUET

A blue and gold banquet was held Monday evening for Cub Pack 17, sponsored by Marshall PTA, at Trinity Methodist Church.

The opening flag ceremony was performed by Rickey Kennerly, David Lindsey, Randy Attebery and Robin Nunn, who led the pledge of allegiance. Cubmaster Harold Caving introduced the pastor of the church, Rev. Clair Clark, who gave the invocation.

Also introduced were Rev. Clark's son, Danny, Edward J. Dose, dist. Bov. Comt. Commissioner, and Mr. and Mrs. James Dillard.

Moore, high school football coach, was the main speaker of the evening, discussing how scouting and football correspond.

A pot luck dinner was served by the den mothers, and the table decorations were made by the den mothers.

Mrs. James Dillard's den table carried an Indian theme with an Indian tepee as centerpiece. Mrs. Fern Attofer's den table had a floral centerpiece and time Judean's den theme was cub scouts playing games and there was a floral centerpiece.

The program included a skit by Den Five under the direction of their Den Mother, Mrs. Betty Moore, "Patriotism," "Patriotism and Present Boy Scouting," and was performed by Gregory Andrews, LeRoy Wedde, Carl Taylor, Joey Peacher, Edwin Ostred, Donald Powell, and Dan Gaylor, Jr., whose parents reside in Madison. The wedding will be at St. Elizabeth Catholic Church.

Both Miss Obucina and Mr. Gaylor are graduates of Granite City high school.

CUB PAGE 9

BLUE AND GOLD BANQUET

A blue and gold banquet was held Monday evening for Cub Pack 9, sponsored by Maryville School PTA, and was held in the school cafeteria. The flag ceremony was performed by Mrs. Jane Ferguson, Mrs. William Davis, gave the invocation.

A buffet pot luck dinner was served to 180 cubs, parents, and friends. The table decorations were provided by each Den Mother.

The program included a skit by Den Five under the direction of their Den Mother, Mrs. Betty Moore, "Laws of the Pack," and "Present Boy Scouting," and was performed by Gregory Andrews, LeRoy Wedde, Carl Taylor, Joey Peacher, Edwin Ostred, Donald Powell, and Dan Gaylor, Jr., whose parents reside in Madison.

The next pack meeting will be held March 28 at the school.

DOUBLE FIVE CLUB MEETS

A regular monthly meeting of the Double Five Club was held Tuesday evening in the home of Mrs. Joan Starling, 2598 Lynch avenue and a dessert luncheon.

During the campout, the girls worked on a cubscout badge by reviewing a cubscout badge from France. "Chimes of Durkheim," Rev. Clark closed the evening with the benediction.

The girls started learning a new dance, "Hansel and Gretel." A discussion was held on the event.

Den Five enjoyed a meal at the home of Mrs. Joan Starling.

Also present were Kathleen Aponey, Susan Baiza, Sharon Busch, Kathy Coyle, Rita Lynn Ely, Carol Frey, Kathleen Friedreich, Elaine Gavitch, Paula Hargan, Nancy Hargan, Deborah Lake, Janet Lambeth, Nanette Marcus, Judith Morris, Anna Schilling, Sandy Weissendorf and the leaders.

Also present were Charlotte Frey, assisted by Mrs. Elizabeth Ely, and mothers, Mrs. Shirley Schilling and Mrs. Colleen Hamling.

PRESTON WOMEN PLAN QUARTERLY MEET

The United Presbyterian Women's Organization executive board met Monday evening at the home of Mrs. Irma Taylor.

After dinner a program was held featuring a "Christian Time" presentation.

Departmental reports were re-

ceived from Mrs. Louise Flynn on Hammond and Mrs. Louise Anderson on finances, and Mrs. Louise Britton on the quota of cancer dressings for January and February has been turned in, and on March 9 ladies of the church will cut and sew more.

Plans are being made to attend a St. Louis television show, Mrs. Lucretia Wright gave a talk on new and different ways the church will be given by Rev. R. Johnson of Madison.

Other guests were Mrs. Maxine Jones, Mrs. Beverly McRaven and Mrs. Elaine Parrish.

Mrs. Lucretia Wright invited the club to meet in her home, 3211 Edgewood drive on April 14.

GC Air Raid Warning System Bids Sought

A system of civil defense air raid warning sirens for Granite City is being considered by city council members who Monday night authorized a bid call under a proposal presented by Victor Koening, CD director.

Alderman Rutledge said the local CD group has concluded the past practice of utilizing

buzzards of industrial plants is not adequate. He explained federal funds would be available to 50% of the cost and that the CD unit would be able to pay the remainder over a period of about five years from its regular tax funds.

Rutledge added the city could utilize its working cash fund for the purchase and then begin

reimbursement to the local civil defense organization and the grant federal tax funds.

Details of the system were not revealed, pending the call for bids and installation decision. It was stressed that the civil defense group is establishing air raid and disaster shelters in the city but does not have an adequate warning system.

GCAAC Bus Travels 7550 Miles in Year

An annual report on the use of buses in transporting children showed that more than 7550 miles were traveled. It was announced at a meeting of the Granite City Association for Aid to Retarded Children, Monday night.

Albert Beecle reported that on the trips the number of passengers totaled 1984 children.

In other action at the meeting, Mrs. Georgia Cocagne and Mrs. Helen DeRunte were appointed to the joint Illinois state convention of the Illinois Association for Aid to Retarded Children, April 1, 2 and 3.

Mrs. Richard Neumann reported that the summer day camp would be held during the weeks June 13 and 20, in Willow Park.

The movie, "Selling One Guy Name Larry," was shown and refreshments were served to the 25 members.

Fahnster Gets 25-Year Award From Firestone

Frank Fahnster of Granite City is one of 45 tire dealers who have been honored by the Firestone Tire & Rubber Co., Akron, O., for 10 or more years' association with the company. It was announced today. He received a 25-year award for a franchised independent Firestone dealer.

A commission of the Granite City Hospital Auxiliary presented the award to the Fahnster Tire and Supply Co., 2800 Nameoki Road.

CALE LYBARGER
GL 2-3107 or GL 2-6180**

A special measles immunization clinic for children from nine months and eight years will be held from 8 to 10 a.m. Saturday in the emergency room of St. Elizabeth Hospital.

The other immunizations besides measles will be administered during the special clinic, Dr. Felicia Koch and Miss Gladys Moore, RN, clinical

supervisor, reported. Regular clinic procedures will resume April 2 when measles and other immunizations will be given.

Dr. Koch said an extra large number of volunteers will be needed Saturday from the existing groups, which include nurses, nurses' aides, Jaycettes, Jaycees, Candy Strippers and Pink Ladies.

Lopez Makes Solo Helicopter Flight

Michael S. Lopez, a warrant officer candidate at Ft. Worth, Tex., soloed in a helicopter for a "junk trial" or speeding test, according to a statement from his parents, Mr. and Mrs. Stephen Lopez, 203 Granville street, West Side.

Lopez, who was a photographer for several years before he entered the Army in early fall, now must build up his flying hours to qualify under the training program.

"He was quite excited when he called," Mrs. Lopez said. "Mike had been ill with the flu and was grounded for several days, but he was anxious to get his solo flight almost on schedule."

"His opening remark to us was, 'I made it!'" Mrs. Lopez was recalled.

Boots into Space, Hit

While backing into a parking place, a car driven by Fred W. Pufalt, 2941 Iowa street, was grounded for several days, but he was anxious to get his solo flight almost on schedule.

"His opening remark to us was,

"I made it!'" Mrs. Lopez was recalled.

It was agreed to reduce the stated rate of speed from 50 miles per hour to 44. He was fined \$10 plus \$5 costs. He was arrested late last year by Granite City police.

SOCIETY *

Jr. Service Style
Show March 31

The Granite City Junior Service club discussed its annual fashion show at a monthly meeting Monday evening at the civil defense building.

Miss Helen Parsgabian, president, also received reports from Mrs. Evelyn Morris and Mrs. Ron Morris.

It was reported that two eye examinations and one dental checkup were provided for needy children of this area. A donation of \$100 will be presented to the local hospital for equipment in the youth department.

The fashion show sponsored by the club, to be held March 31 at the Granite City high school auditorium, will have as contestants Dickie Nichols, Sue Louis, Shirley actor, and Miss Mary Enoch of St. Louis. Mrs. June Branding will be vocal soloist, accompanied by Jack Johnson at the organ.

Following the meeting, a "special party" was held for prospective new members, Kathleen Simuda, Jennifer Ranit, Carol Tritschler, Lorretta Kriewich, Diane Prester, Karen Shaw, Sylvia Brivak, Valerie Graywacke and Vivian Anselm.

Honorees for the party were Mrs. Louise Kovar, chairman, and Mrs. Jean Ann Vreeland, Mrs. Evelyn Morris and Mrs. Helen Gleiselman. Games were played under their direction. Winners were Doty Melkamp, Liz Day, Lorreta Krejchik, Kathryn Janitz, Linda Harvey, Janita Bello, Valerie Gratzick, Margaret Greenberger, Gladys Wagner and Evelyn Anselm.

Refreshments were served to the mothers and Madames Bernice Fitzpatrick, Candy Kawula, Faye Krause, Kathleen Obucina, Vivian Vaughn, Genevieve Bergmann, Wilma Eddington, Chalene Pohlman, Kay Reel, Billie Dill and Delores Schutzenhofer.

The board will meet in the home of Mrs. Vrenick, 1534 Cottage Avenue, March 14. The club will meet March 21 at the civil defense building.

Recent Bride Is Honoree

Mrs. Gary Mayes, a recent bride, was honored last night at a miscellaneous shower given in the home of Mrs. Robert Peach, 2014 Victory Drive, by Mrs. Mervin Mayes and Mrs. George Donohue, brothers of the bride and groom.

Those present were Mesdames Bobbie Crippen, Sandra Bullock, Peggy Sorenson, Priscilla Peck, Vicki Peck, Dorothy Marshall, Minnie Davison, Wanda Page, Bernice Chastain, Virginia Craft, Vivian Pate, Delphine Tutka, Clela Mayes, Ruby Plaza, Oiga Board, Nancie Gandy, Mrs. Mabel Head, Donohue, Margaret Hayes, Lillian Fellers, Rossie Fellers, Diane Donohue, Carol Jowers, Gwendolyn Peck, Marie Clegg, Mrs. Marie Clements, Karen Peach, Wildwood Walker, Debbie McCoy, Robert McCoy, Randy Van Gilder, Erin Graham, Mark Lemon, a honoree, and Misses Debbie Page, Linda Gandy, Karen Peach and Debbie Donohue.

The bride is the former Barbara Donohue.

TENT 90 OF DUV HODGE MEETING

Sara Jane McEvans Tent 90, Daughters of Union Veterans of the Civil War, met last night at Schermer's Garden Shop in Madison.

In the absence of the president Mrs. Gussie Cheatham, patriotic instructor, was in charge.

Mrs. Emma Huber, Mrs. Gusie Munster, Mrs. Anna Lee, who were selected delegates to the Department Convention to be held in June, and serving as alternates will be Mrs. Lucy O'Neill, Mrs. Bertha Berry, Mrs. Gladys Tamm, Asst. Superintendent who was read to the Centennial celebration of the GAR to be held in Chicago April 9 and a contribution was made to a cancer victim. There were 12 in attendance.

MRS. JOSEPH ROBBERS CLUB HOSTESS

Mrs. Joseph Robbers, 2418 Benton street, was hostess at the Neighborhood Center on Wednesday. A noon luncheon was served and the afternoon was devoted to cards with prizes going to Mrs. Julia Goeglein, Mrs. Arthur Boyle and Mrs. Alice Schaefer. Other guests were Mrs. Margaret Hampton of Glen Carbon, Mrs. Milford Robbers of St. Louis, Mrs. Lynne Elmore and daughter, Marie, and Mrs. Marian Hall.

NAMOEKI QUILTING CIRCLE MEETS

The Quilting Circle of the Nameoki Methodist Church held an all-day meeting at the church Wednesday.

A noon luncheon was served to Mesdames Dorothy Simmett, Lillian Russell, Violet Hunter, Anna Gospod, Lucille Eberle, Alice Ervin, Potter Alma Cowan, Lexie Vick, Loun Briner and Dorothy Wallace.

Annual Sale by Mothers Club

A monthly meeting was held Tuesday evening by the DeMolay Mothers' club at the Masonic Temple, opening with the pledge of allegiance recited by all and the singing of the DeMolay Mother's Prayer by Mrs. Margaret Moore.

The business meeting was conducted by the president, Mrs. Marie Neveu, and reports were presented by Mrs. Evelyn Ringering and Mrs. Lucille Sackett.

Final arrangements were made for an annual "Nameoki" sale, March 26, at the Old Folks' Hall. A telephone committee was appointed to remind the mothers of this sale.

Games were played and refreshments served by hostesses for the month. Mrs. Pauline Sentiff and Mrs. Verna Stuart, winners of games were Mesdames Melba Tarppell, Margaret Lowe, Ethel Henley, Betty Morris and Mrs. Barbara Frank.

Also present were Mrs. Doris Mathews and Mrs. Thelma Morris, fathers, advisors and candidates. Advisors of the club will be April 5.

OCAW Auxiliary Plans Events

The Women's Auxiliary OCAW

Local 7633 met Tuesday evening at the Tri-Mor Bowl, opening with the pledge to the flag led by Mrs. Florence Schaff, president.

After prayer by the chaplain, Mrs. Virginia Webb, reports were given by Mrs. Mary Galan, Mrs. M. R. Redding, Mrs. Carl Mathias, and that he had gone to get money for financial aid for sanitary sewers in unsewered areas of the city.

Moerlein said money within the city could be needed for the \$10-million dollar program.

Butler added that the full amount of a \$100,000 federal planning grant.

Bartosik replied that the city would be required to repay only for the plan used in the sewer construction and be reminded council members that several million dollars in federal funds could be available to Granite City for sewers at a great benefit to property owners. "The federal government is willing to put up 50% of the total cost," he added.

Later in the meeting when the Street and Personnel committees reported they may be ready next week to recommend a consulting engineering firm for the city. Alderman Moerlein suggested the consulting engineer could be used to make necessary revisions in the master sewer program.

Among the firms under consideration for the consulting engineer was Sheppard, Morgan & Schwab, the firm which prepared the master sewer plan.

Moerlein reported that all petitions which were put in circulation last month in the areas of the city without sewers have not yet been turned over to the Special Pollution committee and will be useful in making application for the grant of federal tax funds.

Rutledge said a mixup had occurred when individual citizens began circulating petitions to obtain proper lot and block data, but that the petitions should be ready within a short time.

Gas for Treatment Plant

When a driver was sent from the Gas Fund to Army Depot to see if an easement was still pending for installation of a gas line to the city's new sewage treatment plant under construction there, Moerlein said the city's attorney had advised him to wait and try to hasten the installation to provide heat for the contractor.

"This was not included in the contract that the city provide a gas line and it has never been mentioned in the original \$100,000," Moerlein said. His comment was disputed by Mayor Partney, who said the engineer for the Sheppard, Morgan & Schwab firm had asked for the gas line to be held up in view of a \$100,000 grant to the city to help get authority to convert to gas heat for its buildings.

The city is awaiting final word

from the depot and can wait several months before the gas line is to be installed before next fall. The plant is scheduled to be placed in operation this spring.

Moerlein said his Special Pollution committee has not yet reached a decision on selecting a superintendent for the new plant.

With sewer program with extension to sanitary lines and interceptors, sewers to separate sanitary sewage and storm water under its 1951 master sewer plan.

That sewer program is to be updated and prepared for division into several projects to comply with the federal application, the mayor explained.

Alfred Moerlein, chairman

of the Special Pollution committee, called for the application letter to be referred to his committee.

Engineer Decision

He advised that the city should consider an engineer for the project before going any further.

He added that he had visited the Chicago regional office in January

in advance of a trip there

Venice PTA War Topic

Capt. Charles James of the Granite City Army Depot, who recently returned here from service in Vietnam, spoke at the meeting there and present photographic slides at the March meeting of the Venice school PTA at 7:30 tonight in the Venice school cafeteria. Mrs. Shirley Ochoa will preside.

Kirkpatrick 4-H Elects

Kirkpatrick Home 4-H club members meet Monday night at the recreation hall elected George Turner as recreation officer and Cecil Slavins as reporter. Guest speaker was Louis Bowers of the 4-H home office in Edwardsville.

23rd-Nameoki Accident?

An auto driven by David Kirkpatrick, 1824 Second street, Madison, was struck in the right side by another driven by Marian Dowthitt, Edwardsville, at 3:50 p.m. Wednesday at East 23rd street and Nameoki road.

Mayor Says New One-Way St. System to Start This Month

Despite a lengthy and heated debate over ordinance passage procedures by the council Monday night, Granite City's new one-way street system will be started later this month, it was announced Tuesday by Mayor Partney.

Large signs of the "Do Not Enter One-Way" type and directional arrows 30 to 36 inches long are being prepared by the city's paint department so that what needs to be done is to designate revisions in traffic controls—stop and yield signs—the mayor said.

The debate started immediately after the call to order (six minutes early) and the presentation of the minutes of the Feb. 21 meeting.

Alderman Boyd, an opponent to one-way street revision, called for the minutes to be changed pertaining to the one-way street ordinance approval.

Boyd Says, "It Lost."

"We should change the minutes from 'motion carried' motion lost," Boyd said pointing out that on third reading at the Feb.

meeting, Whitmer, Moerlein, Sternberg, Thompson and Fry.

Boyd saying it didn't carry, and the attorney agreed at the time," Boyd commented.

Mayor Partney then called upon City Atty. Allen for his written opinion.

The attorney's opinion was that while the ordinance did not get a proper majority vote at the Feb. 21 meeting, it did gain approval on second reading at the Feb. 7 session.

Allen advised that that

what needs to be done is to designate revisions in traffic controls

—stop and yield signs—the mayor said.

As Boyd persisted for changing the minutes of the Feb. 21 meeting, he was ruled out of order by Mayor Partney, who advised the alderman that the rules of the chair can't be argued.

Alderman Nunn entered the argument and said that in 23 years as an alderman, he didn't recall when an ordinance was recalled for a third reading.

The council then voted 10-to-6 to change the Feb. 21 minutes. Opposed to the change were Rut-

leidge, Whitmer, Moerlein, Sternberg, Thompson and Fry.

Allen pointing out that the ordinance was placed on reading Jan. 24 and then received 14 favorable votes at the Feb. 7 session.

Boyd, responding on Feb. 21 was superfluous, since it carried by a sufficient vote on Feb. 7. The ordinance has been signed and published and is valid," Allen added.

In the debate which preceded the mayor's decision to rule Boyd out of order, Boyd insisted the public be given a hearing.

Another alderman who joined the debate, Alderman Johnson, said the second reading passage would change procedures of the council.

"This will have a bearing on all ordinances in the future," Johnson said.

Another alderman who joined the debate, Alderman Johnson, said the second reading passage would change procedures of the council.

"This will have a bearing on all ordinances in the future," Johnson said.

Johnson, superintendent said the public is reputable but that the sales approach may be misleading. There has been no co-ordination or contact whatever between the publisher and the school system, Johnson stressed.

Schools Not Part of Sales Drive in Area

Sale of teaching materials and other teaching materials to Granite City schools which is planned in an one way tract on Route 111 at Pong road, just south of Wood River, according to Charles Albrecht, president of Kenworth Truck Distributors.

The new location marks an expansion of the organization which began operation only a year and a half ago. It had been located on nearby Edwardsville road. The move includes a 5000 square feet of shop area with four drive-through bays. The facilities operate 17½ hours per day.

Faster Entry of Urgent State Hospital Cases

Officials of Illinois State Hospital met Tuesday with court representatives to discuss simplifying admittance for persons in immediate need of psychiatric wards.

Dr. Harold Gwillim, Abraham Simon, hospital superintendent said, "is to avoid court proceedings as much as possible—within the limits of the medical health care quickly and efficiently for persons suffering from mental disorder."

It is hoped to limit the number of emergency admissions of persons by themselves either in jail or at the state hospital, pending the outcome of court hearings.

Held to Grand Jury

Eddie Dillard, 18, of 908 Franklin street, West Madison, was bound over to the grand jury on charges of rape, Wednesday, by Magistrate Joseph Kelleher of the Madison court. Dillard was arrested by Madison police Feb. 10 on complaint of the mother of a 12-year-old West Madison girl. Bond was fixed at \$200.

New Kenworth Sales, Service Unit Opens

A new truck sales and service unit for Ill-Mo Kenworth Trucker Supply Co. on a 10-acre tract on Route 111 at Pong road, just south of Wood River, according to Charles Albrecht, president of Kenworth Truck Distributors.

The new location marks an expansion of the organization which began operation only a year and a half ago. It had been located on nearby Edwardsville road. The move includes a 5000 square feet of shop area with four drive-through bays. The facilities operate 17½ hours per day.

It is hoped to limit the number of emergency admissions of persons by themselves either in jail or at the state hospital, pending the outcome of court hearings.

Dillard was agreed to stress administration of a doctor's certificate of health rather than legal channels; admittance by one doctor's certificate if the patient is willing to pay two dollars. The patient is not State hospital physicians can issue a second certificate.

Illinois legal officers attending were Circuit Judge Harold R. Clark, Alton, Magistrates William Johnson of Gien-Carbon, Joseph T. Kelleher Jr. of Edwardsville and Harold Gwillim of Alton and Assistant State Attorneys John Roach and Lawrence Keshner of Madison county.

Girl Scout Leaders Training at Lakota

An opportunity for personal growth and enrichment is being offered to adults of the River Bluff Girl Scout Council by the personnel committee during the first two weeks of March. Mrs. Edward Kapes, personnel chairman, announces today.

The opportunity is a series of lecture-and-demonstration sessions designed to acquaint them with techniques of imparting specialized knowledge to other adults; in this instance, the specialized knowledge deals with the Girl Scout program, but techniques are applicable, of course, to all avenues of adult learning.

Additional sessions are to be held from 9:30 a.m. to 2:30 p.m. March 8 and 9 at the Lakota Scout owned campsite at Gien Carbon. Other sessions were held Tuesday through today.

**MORE ABOUT
Traffic**

treated for bruises to his forehead and abrasions. He was released. Fitter was charged with failure to yield the right-of-way.

Car Hits Pole, Fender

Deborah L. Brown, 17, of 2611 State street, suffered minor injuries in an auto accident at 7:45 a.m. Tuesday at 2200 St. Clair avenue. Her auto skidded, struck a utility pole and then knocked down posts and pickets of a fence at the home of Mrs. Clara Harbig.

Cindy Garrison, three, a passenger in an auto driven by Wilma J. Garrison, 2014 Grand Avenue, was slightly injured when the car was struck by one driven by James Smith, 312 Dixon street, Venice, who pulled out from the curb in front of the car at 4:35 p.m. Saturday. Niederrhine, 11th and Cedar street, Smith was charged with making an improper start from a parked position and was summoned for a hearing May 11.

Kimberly Dittrich, four, complained of pains when an auto driven by her father, Joseph E. Dittrich, 2601 Washington Avenue, struck the rear of one driven by David Cunningham, St. Louis, who had stopped to back into a driveway in the 2000 block of Edison avenue at 7:30 a.m. Tuesday. Dittrich told p.d. he had stopped his head when his child said something and did not see the other car stop.

Driver Hurt in Venice

Leo R. Jones, 60, of 309 Meredocia street, Venice, received minor injuries at 6:30 a.m. Tuesday when his car, which he was driving when he hit a rock, was driven by Henry S. Smith, 59, of St. Louis, collided on the County road in Venice north of the Main street curve. Police reported he had been driving his car behind another vehicle which skidded and caused Jones to apply his brakes. Smith's car then struck Jones' auto. Jones suffered scratches about the face, police said.

Car Hits Pole, Fender

Marie M. Bangert, 64, of Rural Route One, received minor injuries at 4:45 p.m. Monday when the car she was driving collided at Sixth street and Washington avenue in Madison with an auto driven by Jack L. Willman, 17, of 2040 Anton street, Madison.

The Bangert car was headed east, while Willman was driving east.

Leo Vellin, 34, of Edgewoodville, Mr. and Mrs. Vellin, who have lived in Gramercy since 1953. Before then, the family made their home in Central Christian Church, Madison.

Tuesday, he was partially unconscious condition. Details of the mishap were unavailable.

Harold Williams, 35, of Collinsville, was admitted to St. Elizabeth Hospital at 7:30 a.m. Monday after suffering a fall in a auto accident at Stallings. His pain in the left knee and abdomen. Details of the mishap were unavailable.

James H. Johnson, 48, of 1406 Washington avenue, was treated for pains in the right shoulder, arm and neck at St. Elizabeth Hospital. She sustained injuries in a previous auto accident. X-ray was taken and she was released.

Funeral arrangements are given in today's obituary column.

-GO TO CHURCH SUNDAY-

**Bertram Johnston, 52,
Stricken Suddenly Dies**

Bertram J. Johnston, 52, of 2936 Dogwood drive, who had just bought a new auto, collapsed at "Unemployment Compensation" and explain proposed changes in unemployment laws.

Antebellum Dinner, Play Day

Also noted were a Granite City school board candidate forum March 31; the annual Business-Industry-Agriculture dinner April 20; the 10th of a major statewide paint up, clean up, fix up drive May 1; attendance by a local delegation at the U. S. Chamber meeting May 1-4; the annual Chamber members dinner May 11; and the annual 1966 Chamber "play day" June 14 at Sunset Hills Country Club.

It was reported that Mrs. Bonnie Sullivan, Chamber office manager, is recruiting members, especially at Wood Hospital, St. Louis, where she underwent hand surgery Monday. Miss Karen Thomas has joined the office staff, filling a secretarial vacancy.

With Wm. C. Hoebeke was admitted as a Chamber member.

President Carl E. Mathenia was safety director at the corporation Calif. He is a member of the Air Defense Command which is the Air Force component of the U. S. Canadian North American Defense Command protecting the continental United States.

Major Mathenia, formerly of Canada, Mo., is a graduate of Cana- Kansas City, Kan.; and four grandchildern.

Funeral arrangements are given in today's obituary column.

**MORE ABOUT
Expecting At**

scheduled for construction last year, bid never got under way.

These projects are not likely to advance to the contract stage until midsummer; however. And, until that time, no way still is to be obtained for the grading work and for the grade separation at the Illinois Terminal tracks. He said it is likely a bid call will be issued on this work sometime in May.

**Former GC Minister
Indicted in Missouri**

Carl F. Newland, former Granite City Baptist minister who is involved in the Presidential Investment Co. mixup in Missouri, reportedly has been located with his wife and son in Galesburg, Ill.

The whereabouts of Newland, former president of the investment firm, has been unknown since he was indicted on three felony counts of stealing more than \$50 by deceit by a Kansas City grand jury.

He reportedly had purchased a \$27,500 home in Galesburg.⁵

Arrested for No Brakes

Anderson Young, St. Louis, was arrested at 1:15 p.m. Wednesday at 20th and Madison avenues on a charge of having a broken or bad brake on the trailer of his truck. He was summoned for a hearing by March 11.

His wife, Joyce, is the daughter of Mr. and Mrs. Tom Morgan of Idalia, Mo.

MAJOR MATHENIA

**Lonnie C. Mathenia
Promoted to Major**

Mr. and Mrs. G. Mathenia of Maple Street, has been promoted to major in the U. S. Air Force.

Major Mathenia is a mobile safety director at the corporation Calif. He is a member of the Air Defense Command which is the Air Force component of the U. S. Canadian North American Defense Command protecting the continental United States.

Major Mathenia, formerly of Canada, Mo., is a graduate of Cana- Kansas City, Kan.; and four grandchildern.

Funeral arrangements are given in today's obituary column.

State License Charge

Philip Beyer, 1126 Twenty-second street, was arrested at 1:10 p.m. Wednesday on a charge of having no state license plates on his auto.

His wife, Joyce, is the daughter of Mr. and Mrs. Tom Morgan of Idalia, Mo.

Youths Charged**

State Meat Inspections

Over 120 million pounds of smoked and cured meat were inspected during 1965 by the Illinois Department of Agriculture's Division of Meat and Poultry Inspection, according to Robert M. Schindler, department director.

In addition, a total of 234,331 cattle, 4617 veal, 39,303 swine, and one million pounds of turkeys and chickens were inspected, and 1,000,000 pounds of meat and poultry inspection. About over 120 million pounds of smoked and cured meat were inspected in the 878 establishments in the state.

Inspectors checked 351 cattle, 988 swine, 10 sheep, lambs and goats, and 24,500 pounds of turkeys and chickens. Also inspected were 299 cattle heads, 13,786 hams, 14,146 cattle livers, 53,127 swine livers, and 46,770 pounds of meat and meat products. These products were condemned because they were unwholesome, either due to disease or spoilage.

Food for Rabbits

Contrary to popular opinion, bluegrass is not an excellent food for rabbits. In fact, Illinois Natural History Survey researchers, in an exploratory study, have discovered that bluegrass is almost worthless to young cottontails in midsummer.

These rabbits were arrested on charges of theft of under \$150 in connection with stolen automotive parts and tools valued at \$1275 in a burglary of a garage at the home of Joseph E. Young, 19, of 20th and Madison avenues, who was arrested 9:30 p.m. Monday. A lock on a rear window was forced.

These are Loren Eugene Wilson, 19, of 20th and Madison street, and Fred Shaver, 18, of 2501 East 23rd street, who admitted the theft in signed statements Tuesday and Wednesday following questioning by detective.

The two faced \$100 each in magistrate's court today and were ordered to make restitution of the stolen items.

Tools were worth \$900+14 times and their \$250 12-volt battery, carburetor, a four-speed transmission from a 1964 sports car, \$200; a four-speed transmission from a 1955 auto parked in the yard, \$20; a three-speed transmission from a 1961 auto, \$100; tools from a cabinet, \$50; a dewl' meter, \$50; and a crank case, \$50.

Willie J. Humber, of the 500th Engineer Corps at the Granite City Army Depot reported to Madison police early this morning the theft of \$500 worth of American Express travelers checks from a glove compartment in his auto.

Humber told Madison police that the door on his car, parked at 916 Madison avenue in West Madison, was open and the glove compartment 10 to 12 apart. He said the checks were in \$10 and \$20 denominations. The thief occurred between 1 a.m. and 1:35 a.m.

A man reported stolen from Arthur Copeland, 1713 State street, at 7:50 p.m. Wednesday was found today in Wood River. The car contained a lady's tan coat and a movie screen.

An auto was stolen from the cash register in a burglary at the Big D restaurant and lounge on Highway 162 east of Granite City between 2 and 8 a.m. Monday, it was reported to the sheriff's office at 9:30 p.m. the same day. Theft was gained through a rear storm window.

Bowling Ball, Shoes, Stolen

Willie J. Humber, of the 500th Engineer Corps at the Granite City Army Depot reported to Madison police early this morning the theft of \$500 worth of American Express travelers checks from a glove compartment in his auto.

The man has also received grants from the Graham Foundation for Advanced Studies in the Fine Arts, the Woods Charitable Fund, Inc., and the Mary and Leigh Block Charitable Fund, Inc., of Chicago and the Quill Foundation.

Cards Appointed

Gov. Kerner is announcing the appointment of William G. Caples as chairman of the Governor's Committee on Literacy and Learning.

The committee, composed of 63 professional and civil leaders from throughout the state, was created in March 1963, to organize voluntary projects for the tutoring and counseling of young people in Illinois.

Caples is vice president of Industrial Steel, Co. He succeeds James T. Griffin, vice-president of Sears Roebuck and Co., who is retiring and leaving the state.

Seek EOC Assistants

For Offices Here, Alton

Applications are being accepted by the Illinois Economic Opportunity Commission for two positions as assistant directors of the county-wide anti-poverty program. Those selected will research offices in the Tri-Cities and at Alton, as well as supervising other sections of the county.

Applicants will be selected on the basis of past experience and qualifications. Background resumes may be forwarded to Charles B. Hampton, 1035 Bissell street, Madison, chairman of the EOC personnel committee. Other positions available are three assistant posts and one as clerk typist, with those interested also to apply through Hampton.

Liquid Poured on Auto

Glenn Knight, 222 Lynch avenue, reported at 11:45 a.m. Wednesday that gasoline poured an unknown liquid over his 1965 auto while it was parked during the night at his home.

Follows Too Closely

Andy G. Mangiaracina, 505 Kirkwood Avenue, was arrested at 6:30 p.m. Wednesday on a charge of following too closely on 26th street and Madison avenue. He was summoned for a hearing by March 17.

You'd like to do something for freedom, but you don't know where to start?

O.K. Here are 11 places.

VOTE in the primaries as well as the general elections. Know propositions, too.

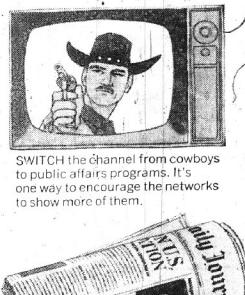

VISIT a historical shrine with your kids. Let them see and feel the roots of freedom.

BUY a modest-sized American flag and explain its symbolism to your kids. And fly it. Often.

TEST yourself on your kids' grammar school history exam. If you flunk, start boneing up.

SWITCH the channel from cowboys to public affairs programs. It's one way to encourage the networks to show more of them.

ARGUE with editors when you think they're off base.

READ publications that stress material on our heritage.

PARTICIPATE in local civic associations. Work with your government to keep it working the way you like.

Get your "Freedom Handbook" today!

Our Plummeting Moral Standards

(San Francisco Examiner)

What has happened to our national character speaks out in favor of free love.

A man of God condones sexual excursions by unmarried adults.

Movies sell sex as a commercial commodity.

Book stores and cigar stands peddle yesterday's smut as today's literature.

Record shops feature albums displaying nude women in various scenes. Night clubs stage shows that would have shocked a smoker audience a generation ago.

TV shows and commercials often play fads of sick, sadistic and suggestive situations. A campaign is launched to bring acceptance to homosexuality.

Radio broadcasts present discussions, for and against promiscuity.

Magazines and newspapers publish pictures and articles that flagrantly violate the standards of good taste.

Words once heard only in barroom brawls now appear in publications of general distribution. Bilingualism is urged for high school girls.

Look around you. These things are happening in your America. In the two decades since we last met, we have seen sexual standards of moral living lowered again and again.

We have seen a steady erosion of past principles of decency and good taste.

We have harvested a whirlwind. As our standards have lowered, our crime levels and social problems have increased.

Now we have a higher percentage of our youth in jail... in reformatories... on probation and in trouble than ever before.

Study the statistics on teen-age mothers, teen-age marriages... on juvenile crimes... on school drop-outs... on deviant... on drug addiction... on high school marriages... on crimes of passion.

The figures are higher than ever, and going higher.

Parents, police authorities, educators and thoughtful citizens all know what life has become. For they are responsible. We of the old generation are responsible.

Our leaders are no better or worse than we were at the same age. Generally, they are wiser. But they have more temptations than we had. They may not cause more misery, but they offer more opportunity for trouble.

We opened doors for them that were denied to us. We encouraged permissiveness. We induced them to demand maximum freedom. And we asked for a minimum in respect... and in responsibility.

Race and religion are irrelevant for decisions as sane and sensible guides for personal conduct were reduced or removed. Ignored.

Prayer was banished from the schools. Even the traditional school books that taught moral precepts as well as reading were replaced with banane books.

Basically, there are two main types of religious thought in these United States. Those who believe in a Supreme Being, and those who do not.

The former are the conservatives; the second.

But this nation that was founded on the democratic concept of majority rule now denies the positive rights of many to protect the negative rights of others.

A prayer went out of the classroom so, did patriotism.

No longer are our citizens encouraged to take pride in our country's great and glorious past.

Heroes are downgraded. The role played by the United States in raising the hearts and hopes of all enslaved peoples for a century and a half is minimized.

We are told that this is wrong. We are convinced that a majority of our citizens would welcome an increase in patriotism.

With a great increase in the piling of sex, sensationalism, materialism and sordidness.

The Drinking Age Limit And Its Implications for Teenagers

The state age limit banning drinking by all under the age of 21 may appear to some people to be too strict. But as long as it is the law there is an unavoidable duty to comply.

Public officials such as Mayor Maeras are right in ordering enforcement of the regulations that are easily overlooked. In arresting a bartender as well as a minor, Madison authorities are making it clear that all parties involved must shoulder a portion of the responsibility.

Preparation and use of false identification cards, which most commonly change 1940 birthdays to the early 1940s, to obtain beer beyond the drinking age, falsification violations, all of these are far from minor; misuse of serviceable service cards can lead to penitentiary sentences, the attorney points out.

The added hazard is that the practice could persuade impressionable youngsters that it is "smart" to circumvent authorizations that there are easier ways to get around the rules of society. This would be a tragic misinterpretation, because there is no real alternative to the hard path of duty. The sooner an individual realizes it, the better equipped he is to meet life on even terms.

County Board Not Tied To Park Growth That Would Block Harbor

Madison County Board endorsement of expansion of the Lewis and Clark memorial park is a proper step and will do no harm if it is not misinterpreted. Nobody is against parks or recognition of the outstanding accomplishments of early U.S. explorers.

Because playing the numbers game on proposed acreage of the park, county supervisors recognized a fact that some of the more vociferous expansion advocates continue to ignore. This point is that river access is essential to the northern end of the Chain of Rocks Canal to attract plants to the new industrial park.

The harbor must be peace with an expanded park. But in proposing that hundreds of acres be added to the park, its enthusiasts are saying that they want no harbor, no co-existence, no industrial park.

The Tri-City Regional Port District, Tri-Cities and Wood River Chambers of Commerce and others are trying to be reasonable; some members of the Lewis and Clark Society are being reasonable. The need for expansion applies to Madison county job opportunities and prosperity as well as to memorial parks.

CONVERTING BLUE-CHIP STOCKS TO SECURITIES

Q. Over a period of years I have purchased at various levels 700 shares of AT & T stock. My wife and I are retired and live on a small pension, plus social security and income from dividends and interest.

What action can I take to transfer or convert my AT & T stock into something more liquid, speculative securities that will give us the same or better income without incurring a sizeable capital gains tax on the sale of our AT & T shares?

You might consider consulting your bank or your broker or two good brokers. Assuming you bought most of your AT & T at rather low prices, you probably will have to pay a fairly good sized tax on any amount of stock sold. For instance, it would appear that if you sold two-thirds of your stock at about \$260 per share, and if your average cost was \$20 a share, then you would

have a taxable capital gain of about \$14,000, or \$19,000, and would wind up with a tax bill of about \$2500. This would reduce the amount you would have to reinvest to between \$25,000 and \$26,000.

If you were able to raise your investment on this amount from the approximately 35% you are getting from AT & T to 41%, you would increase your annual income by another \$100.

You could, of course, make your savings in two different calendar years, which would reduce your tax considerably and perhaps increase your annual income another \$50 or \$75.

Have you a question about investing? Mr. O'Hara, editor of "Today's Investor," has learned from the American Chemical Society.

Rocket nozzles and nose cones of space ships need to be bound with t o g h filaments that can withstand tremendous pressures and extreme temperatures.

Many uniforms and tent materials need to ward off the heat and radiation of nearby atomic blasts.

Industrial filters and dust collectors must resist chemical corrosion and the high heat of fire.

Electrical insulation must be more efficient for smaller, lighter and faster power motors.

Protective clothing must resist corrosive liquids, molten metals and flames.

Combinations of stress and cold would withstand such punishment. Some fibers will withstand the heat in the presence of air or oxygen. Some stand corrosion and heat. Some are destroyed by radiation, and so on.

A team of scientists at the Research Institute, Niagara Falls, New York, under chemist James Economy, took on the problem. A material like boron nitride was needed.

This was soon made of the combinations of carbon and nitrogen can stand up under nearly all combinations of these severe conditions. In fact, boron nitride is used as an insulator and, in powder form, as a special lubricant at extreme temperatures.

Unfortunately, boron nitride could not be handled by fiber-making techniques. It could be produced only in bulky shapes. It is poor conductor of moisture because water-soluble impurities were present in it, and costs a great deal to produce, even in an entire new fiber-producing technology.

Significant Breakthrough

Some people want to work on boron nitride. They managed to remove the impurities. They developed more economical methods of production—including an entirely new fiber-producing technology.

However, it's generally known that migraines are usually preceded by a short period of tension headache, which occurs in 50% of the population. Unfortunately, its cause is still unknown.

How do you differentiate between migraine and chronic tension headaches? If you're smart, you'll let your doctor do the diagnosis.

The short-lived occasional headache with most of the rest being familiar is usually a migraine, which occurs in 50%

of the population. Unfortunately, its cause is still unknown.

How do you differentiate between migraine and chronic tension headaches? If you're smart, you'll let your doctor do the diagnosis.

However, it's generally known that migraines are usually preceded by a short period of tension headache, which occurs in 50% of the population. Unfortunately, its cause is still unknown.

Air Conditioned Patrol Cars Bought by GC Council

Granite City police will have air-conditioned patrol cars this summer, but a purchase approval must be given by council first before the proposal.

Final approval came after one alderman switched his vote to forestall the 7-to-9 defeat, and made it an 8-to-8 tie vote. Mayor Peulos then voted "yes," commenting that patrols throughout the city during hot summer months would be more thorough with air-conditioned vehicles.

The council was buying the air-conditioned vehicles—five Ford sedans and a station wagon—from B. E. Hohlt, Inc., at a cost of \$860. Being traded in are six 1965 sedans.

The base bid for five sedans and a station wagon by Hohlt was \$7109, with an added \$1542 for the air-conditioning units. Other bids were \$7250 by voters from Noma, Basarich, John-Eledge Motor Co., \$10,756 by son, Boyd, Dallas, Parmley and Green. Opposed were Rutledge, Whitmer, Bartosik, Moerlein, Sorenson, Thompson, Fry, Robertson and Polson.

It was Peulos who asked the committee to split on its recommendation.

The council first conducted a roll call for reconsideration of his vote change.

The initial 7-to-9 vote rejecting air-conditioning included favorable bids from Noma, Basarich, John-Eledge Motor Co., and \$10,842 by Farrington Motors.

The council was unanimous in supporting purchase under Hohlt's bid, but upon taking up air-conditioning, Whitmer said his vote changed.

The council first conducted a roll call for reconsideration of his vote change.

With the 8-to-8 tie vote, the mayor voted for air-conditioning.

Later in the meeting, council members voted to consider Virgil Dorn's suggestion to prepare preliminary plans for a new police station with a firing range on the city-owned block in the 2300 block of Madison Avenue. A contract proposal is to be obtained for final approval.

Tour of Mexico Topic Of Travelers Abroad

Mrs. Alice Purus, president conducted the meeting. Prizes were awarded to William Thoeke and Miss Eunice Hatcher, and membership was announced as 61.

William F. Winter, who was the first president of the organization of Quad-City foreign travelers, was surprised with presentation of a wood and metal plaque recognizing his service to the group.

IRS Has Film Available To Explain Tax Problems

Problems that confront American taxpayers in preparing and preparing their tax returns are treated, briefly and succinctly, in a new half-hour film just released by the Internal Revenue Service. Jay G. Papp, district director for several service centers in Illinois, said today.

The film is available to civic organizations which may wish to present it to their membership, Philpot said. There is no charge for use of the film but early reservation is asked, because of the limited supply.

The film entitled "It Happens Every Year" in 16mm color, run-

ning 27½ minutes, represents a unique taxpayer education test and discussion method of instruction. To enliven the subject matter, the film shows several taxpayers with typical problems during visits to a district office, post, district director for several service centers and district operations.

The film sequences were designed to stress ADP filing requirements, answer most frequently asked questions, and create taxpayer confidence in enforcement efforts.

This film may be obtained for showing in Illinois by calling Melvin R. Mill, Chief, Training Branch, Springfield, 525-4124 or by writing to Internal Revenue Service, P. O. Box 1468, Springfield, Illinois 62706.

The film entitled "It Happens Every Year" in 16mm color, run-

SICDA Hears System Data Offer New Pact On Severe Weather Alerts For Bus Drivers

An experimental program, designed to improve severe weather reporting and partially financed with federal funds, shortly will be available in Illinois and Missouri communities. It was announced this week by George Brancale, meteorologist in charge of the U. S. Weather Bureau, Lambert Field, St. Louis.

The new system, described as the new system at a Southern Illinois Civil Defense Association's quarterly meeting held at Southern Illinois University, Carbondale campus. Victor H. Koenig, Granite City, Illinois resident, was in charge of the session. More than 100 representatives from various communities attended.

Brancale explained that the federal grant will finance installation of a "line of sight" wire to local communities. The lines are then connected to special teletype machines for instant dissemination by news media — of severe weather alerts specific areas.

Implementation in the present method of alerting the public has caused the entire warning procedure to be evaluated, the weather chief said. Currently, warnings are delivered through county sheriff's offices to local police departments, where difficulties have been experienced in getting the information to the general public. The sheriff's station will be the responsibility of the individual newspaper or radio station, Brancale explained. If proven successful in this area, local and similar programs will be initiated in other areas of the country.

Koenig appointed two new committees, charged with evaluating police and rescue services and determining their needs, capabilities, personnel and equipment status.

Named to head the police committee was John Bryant, West

Frankfort chief of police, with twin Bi-State Transit System John Becker, Granite City, and bus drivers and maintenance workers of Amalgamated District 32. The new transit local 780 was organized late last month and will be submitted to a vote of the membership Friday. Members East St. Louis, as committee members, will vote on the proposal by secret ballot.

The new agreement was unanimously recommended for acceptance by the union's executive board. The present contract, which was scheduled to expire April 1, 1966, was continued by mutual agreement until Friday's voting. If the new offer is accepted, terms would be retroactive to the March 1 expiration date of the old contract.

Both the company and the union declined to discuss terms of the new agreement pending union action.

An agreement offering a 33-cent-per-hour rate increase over five steps during a three-year period was turned down by the membership last week. The rejected contract is a revision since both sides had had approval of the union executive board.

Business Expenses May Be Deductible

Illinois employees who incur business expenses in connection with their job may be able to deduct the expenses on their Federal income tax returns, the Internal Revenue Service said today.

Taxpayers must report all expenditures and allowances received from their employers for ordinary and necessary business expenses paid by the taxpayers unless (1) they are required to do account to their employer for the amounts, (2) they do not deduct such expenses on their returns, and (3) the sum of such expenses equals the total of their reimbursable allowances.

Document No. 5014 and Publication No. 463, which furnish more detailed information on this subject, may be obtained by writing to the District Director, Internal Revenue Service, P. O. Box 1468, Springfield, Ill. 62706.

Col. McMahen assigned to Post in Hawaii

Lt. Col. Charles R. McMahen, 38, of Granite City, Ill., and Mrs. Charles J. McMahon of 1800 Skene street, has assumed the position of director of plans requirements at Headquarters, Pacific Communications Area (PCA), Wheeler AFB, Hawaii.

Col. McMahen served as commander of the 197th Communications Group in Thailand prior to his appointment at Wheeler.

POC is a major part of the Air Force Communications Service which maintains and operates a global system of air traffic control, navigation aids and communications to USAF units.

The colonel, a graduate of De Oliveira Caldera Da Costa Madison high school, attended the College of William and Mary Extension at Langley AFB, Va., during his off-duty hours.

Col. McMahen was commissioned through the aviation cadet program.

His wife, the former Myrtle

McMahon, is the former Myrtle

VFW District Meeting Here This Weekend

Post 1300, Veterans of Foreign Wars, will be host to District 12 at a meeting Saturday and Sunday at the Post, 21st street and Madison. About 150 persons are expected to attend according to the post commander, Thomas Nesbitt.

A Perpetual Charter will be presented to the Post by Quartermaster William F. Glassford of Elgin, Ill., Department of Illinois, who has held that office for the sixth consecutive year. Glassford served two terms as commander of Waite City VFW Post 1307; one term as adjutant of the organization's Fifth District, largest of all 16 VFW districts, and a commander of the Grand of Illinois, Military Order of the Cootie, for a year before becoming the department quartermaster, succeeding the veteran William M. Bulig of Joliet who held that office for 10 years. He served for five years with the army in World War II, three and one-half years of this service in the European theater of operations.

The fine event will begin with dancing from 9 until 1

WM. GLASSFORD
VFW State Officer

Larkin Casaway, Donald Aldridge, Richard Hart, Virgil Redhimer, Joseph Steele, Cecil Burgess and Allen Charbonnier. The presentation will be made

Substitute for 'Moonlighting'

FBI Chief Recommends Adequate Pay for Police

J. Edgar Hoover, director of the FBI, has called upon local governments to provide adequate police pay to prevent the necessity of "moonlighting" by some police officers.

Recognizing that some communities officers must hold down decent standards of living for their families, Hoover, in a bulletin to all police departments, said his criticism of moonlighting "is against the prevalent system which unwittingly make this questionable practice necessary."

"Local governments and communities willing to accept this practice as a substitute for adequate police pay are applying shortsighted judgment to a long-range problem."

"With the increasing demands made upon law enforcement today, communities expect their officers to efficiently discharge their duties with less than total commitment and effort by their men," Hoover said.

"The courts, the news media, and the general public demand a professional level of performance by law enforcement, but in

most instances, this concern dissipates short of the mean to achieve the goal."

"Moonlighting is a definite obstacle to professional law enforcement. It plagues large and small cities alike throughout the Nation. Its elimination depends on the support and cooperation of local government officials and an understanding public."

Senator Dirksen wrote that he was sorry that he was unable to attend the Lincoln Day dinner because he was "beset with business" and that he was glad "that you both had such a delightful time."

He said that "perhaps on some other occasion we will have the opportunity to meet."

"A practice which requires an officer to daily place his life in danger among bandits, robbers, and unpredictable young thugs without just compensation is a bad practice and should be discontinued. All communities should pay policemen suitable wages and let moonlighting pass from the scene."

"Your health is just outside your door. Call TR 7-9014, MILLER'S DRUG STORE

Sundra Kay Serini, 10, and her sister, Sharon Lucille, 9, are the proud recipients of a personal letter from U. S. Senator Everett M. Dirksen.

Dirksen explained his absence from the recent Lincoln Day Dinner in Alton, Sandra, a fifth grade student, and Sharon, a fourth grade pupil, are the daughters of Mr. and Mrs. Robert Serini, 1711 Marion Street, Marion, and the granddaughters of Mr. and Mrs. Lester Thiele, 1505 St. Clair Avenue.

Senator Dirksen wrote that he was sorry that he was unable to attend the Lincoln Day dinner because he was "beset with business" and that he was glad "that you both had such a delightful time."

He said that "perhaps on some other occasion we will have the opportunity to meet."

SIU-Shorl Choral Groups

In Concert Friday Night

Four of Southern Illinois University-Southeastern Choral organizations will present a concert of American choral music at 8:15 p.m. Friday at the Edwardsville Junior High School.

Featured will be the University Chorus, the Collegiate Singers, the Male Chorus, and the Women's Glee Club. The program is open to the public with no charge.

Counselor Workshops Scheduled by SIU

Special workshops for high school counselors will be sponsored by Southern Illinois University, Carbondale, March 8 in Carbondale, and March 15 in Edwardsville.

Leslie J. Carpenter, SIU Carbondale Campus admissions director, has announced that the purpose of the meetings will be to acquaint counselors with current policies and procedures of the university. Officials from the SU admissions, housing, advisement, student work and financial assistance offices will be present, along with representatives of the Vocational Technical Institute.

The workshops will be followed by a stage review and the concert.

An orchestra will play for dancing.

The group, national champions,

is expecting guests from more than 22 other corps and other dignitaries for the event.

Apartment Complex At SIU, Carbondale

The Southern Illinois University Foundation has entered an agreement with Scholz Consumers Construction Co. of Chicago for a 304-unit apartment project at Carbondale for married students and staff members with moderate incomes.

The apartments are to be built on a 40-acre site southwest of the university's Carbondale campus. It will be financed through a 10-year, \$1.5-million loan from the Federal Housing Administration to the foundation.

The foundation will act as manager and lease the apartments to SIU through the year 1970. The financing arrangement, made possible through a provision of the Urban Research Act, is designed to attract students and professionals to the university and progress has been closely followed by other schools in the nation.

Open House Scheduled At SIU Technology School

Plans are being made for the annual School of Technology open house for high school students at Southern Illinois University. Scheduled this year for April 2. Several hundred high school students are expected to attend.

The SIU Engineering Club, the Industrial Technology Club and the Industrial Education Club — all student groups — are working with a faculty committee on plans for the day's activities and special exhibits.

Annual Report

9 Directors Renamed to Local YMCA Board

Nine directors were reelected at the YMCA governing board at the annual meeting held Monday noon, in the "Y." The occasion also marked the presentation of matched luggage to C. A. "Bud" McMillan, who recently resigned after 21 years service, to accept the post as director of Coordinated Youth Services in the Tri-Cities.

Milton G. Reinhardt, board president, was in charge of the luncheon meeting which also included a summation of 1965 programming and activities, prepared and reviewed by Daniel Smith, executive director.

Directors named for three-year terms, included Rev. Keith Stanford, E. G. Schmidt, Milton Reinhardt, Mrs. Helen Kutsos, Dr. D. Raymond, and Dr. E. W. Walton and William Harris. New officers will be selected by the entire 25-man board at its next executive session.

Activities at YMCA

Smith reported to the board the YMCA general budget in 1965 had increased about 12% over the previous year and totaled nearly \$1 million. He added that fall enrollment reached a count of one person per single person participation, equaling 315,233 individual usage of YMCA activities or facilities with 10,000 new members.

The "Y" executive said new programs initiated in 1965 included a "learn to swim" pro-

In the new basketball program, directed by Jack McCoy, the YMCA team took first place in the Granite City park league and third place in the YMCA basketball tournament. Operations continue to provide excellent programming for women, recreational swimming and mother-and-child activities.

Smith related the YMCA's part in liaison with the Job Corps and the YMCA is interested in people interested in joining the Peace Corps. He said, in the past 12 months, the "Y" has sponsored 21 high school-age clubs, three of which continued to adopt as projects a seven-year-old Chinese

teenager. Smith said, and the club itself is a special summer event at the YMCA, involving Emerson grade school students in square dance programs directed by Bob Boyd, and further development to create an all-around program for women for the entire Quad-City area.

Smith related the YMCA's part in liaison with the Job Corps and the YMCA is interested in people interested in joining the Peace Corps. He said, in the past 12 months, the "Y" has sponsored 21 high school-age clubs, three of which continued to adopt as projects a seven-year-old Chinese

teenager. Smith said, and the club itself is a special summer event at the YMCA, involving Emerson grade school students in square dance programs directed by Bob Boyd, and further development to create an all-around program for women for the entire Quad-City area.

Other programs described, outlined development of men's the men's department, supervised by Mike Jessie, which includes steam room facilities, sauna, recreation periods and indoor exercise, dances, promoted at the "Y."

W. U. Dentistry School To Mark Centennial

The Washington University School of Dentistry, the first dental school established west of the Mississippi and one of the half-dozen oldest in the country, will celebrate its centennial March 14-19.

The 100th anniversary of the Dental Association of America, an internationally known leader in dental education, research and practice will serve as guest lecturer during a series of post-graduate courses to be presented during the centennial week.

Citations will be presented to alumni who have made outstanding contributions to the field of dentistry and to faculty members who have rendered distinguished services to dental education. Alumni reunions also will be a part of the week-long celebration. The events will be held in the School of Dentistry and in the Chase-Park Plaza hotel.

By taking the test, a senior qualifies pre-qualifies for enrollment before graduating. He may make a selection from many of the technical schools available or may select an assignment in Europe, Alaska or the Far East.

"Whatever you qualify for and select," the recruiter said, "you will be guaranteed in writing before you enter. You are under no obligation by taking these tests."

Those who qualify will have a voice on when they leave for active duty after graduation.

20th "Senior" is a junior and is majoring in English. Barron, son of Mr. and Mrs. Melvin Barron, 14 Jones Park, is a senior majoring in history. Both are Granite City high school graduates.

Barron, Miss Bradish Named to Deans List

Carl Bradish and Mel Barron, Granite City students at Millikin University, Decatur, are listed on the deans list for the first quarter.

Miss Bradish, daughter of Mr.

and Mrs. Joe Bradish, 2204 East

Highway, is a junior and is majoring in English. Barron, son of Mr. and Mrs. Melvin Barron, 14 Jones Park, is a senior majoring in history. Both are Granite City high school graduates.

\$2,211 Bill List Ok'd by Council

Largest item on the \$2,211 bill approved by Granite City council members Monday night was payment of \$10,322 to National Disposal Service for garbage-trash collections during February. Payment included \$4,320 adjustment for 24 additional stops (new homes) during January and February. The monthly rate is 90 cents per unit. Also on the bill were \$8,991 for contracts with the city dump provided under an agreement with the city of Venice.

Among the larger payments was \$1,666 A. H. Seebold Co., representing final payment on four projects.

Expense allowances totaled \$1132 and included \$255 for Mayor Partney, and \$30 monthly allowances for the police, Board of Education, Fire Department, City Green, Johnson, Nunn, Pigeon, Robertson, Rutledge, Whitmer and Bartosik. The payment to Busarich was \$60 for January and February.

Allowances of \$50 each were paid to Orville Detlour, building inspector; Delbert Lampher, city maintenance man; R. A. M. O'Dell, police chief, and William Warfield, street superintendent.

Victor Koenig, civil defense director, received his monthly allowance of \$100 plus \$177 to attend a U. S. Civil Defense conference in Washington, D. C., later this month.

In addition, the canine corps officers, Patrolmen Frank Harris and Ralph Parmley, received \$20 each for animal expenses and care.

Melvin LeVault Family Opens Store in Florida

Announcements are being received here from former Granite Cityans, Melvin LeVault and his wife, Norma, that they have opened a drug store, LeVault Drugs, Inc., at Port Charlotte, Fla., where they now reside. They moved there last May after living in the Quad-Cities for 16 years.

LeVault formerly was a pharmacist at the drug store in Hellmores Village shopping center. A son, Marty, lives at 2412 Kilmarney drive.

February Rainfall Above Normal For Second Month

Rainfall during February exceeded the monthly normal for the second consecutive month, bringing to 5.36 inches the total amount of precipitation in January and February. According to the rain gauge at the Chain of Rocks Canal, February rainfall totaled .34 inch, with rain recorded on five days.

Heaviest fall of the month occurred on Feb. 10 when 1.63 inch fell, followed the next day by another .19 inch. On Feb. 9, .23 inch fell, and on Feb. 11, .12 inch was recorded. This made a total of 1.94 inch on Feb. 10.

With the exception of a trace .57 inch was recorded on Feb. 1, 18, 19 and 20, and .13 inch on the following day. A trace fall of only .03 inch was registered until last Monday, Feb. 28, when a .30 of an inch was recorded.

Brotherhood Week Observance Held

"Brotherhood Week" was observed Monday evening by Granite City Kiwanis with the showing of two films following the club's weekly dinner meeting at the Blue Bell restaurant. Kiwanis President Peter F. Jellen gave the welcome and the invocation was offered by Donald Russell.

Alvin Gross, club secretary, introduced the movies. Entitled "One People," the first one dealt with the migration to America of various nationalities, each bringing greatly diverse cultural and religious traditions, but who became welded into a single nation, while still retaining individual characteristics.

The second movie, "Mike Gets An Answer," was filmed in St. Louis by the National Council of Christian and Jews, spinners of an inter-related youth group. It describes the close harmony achieved through cooperation of their programs such as hospital volunteer work, remodeling club rooms and city-wide clean-up campaigns. Through the project, the young explained the youth from all sections, religious backgrounds and economic segments of the community learned to meet racial and other problems. Several other topics dealing with religious interrelation to the Kiwanians, who honored them at dinner last week, were read by William Herman, public relations chairman. In the business meeting, the club's current membership drive was discussed by Jellen.

Freeman Wolfe announced this coming Monday evening a special panel program will be presented by the Tri-Cities Chamber of Commerce, with Sam Meyer serving as moderator. Each panel member will discuss a specific topic in an effort to interest members in national and state legislative issues.

Those to serve on the panel and their subjects, include—Harold Karandjeff, State Taxation; International Chamber; William H. Heischer, "Minimum Wage and Equal Employment"; Howard Kasberg, "Packaging and Label Controls; Tuition and Lending Limit"; and Irvin S. "Reapportionment and Electoral College Reforms."

Rites Held for Mrs. Pohl, Former Resident

Funeral services were held recently for Mrs. Emmie Pohl, 87, of Bettendorf, Iowa, a former Granite City resident and the mother of Frank Shevick of Granite City.

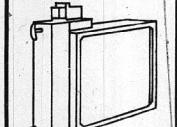

She died Feb. 23 of an apparent heart attack. Born in Austria, she had resided here 18 years and was a member of Concordia Lutheran Church. Other survivors included three grandchildren and five great-grandchildren. Burial was in Oakdale Cemetery, Bettendorf.

Auto, Bus Collide

An auto driven by Donald D. Copeland, 4039 Melrose avenue, and a Bi-State Transfer bus driven by Andrew Edwards, 1642 East 23rd street, collided on a curve at 2532 Circle drive at 4:30 p.m. Monday.

New Study to be Made Of Mounds Area by SIU

A new archaeological investigation of the Cahokia mounds is designed to answer some basic questions about the site which is believed to have flourished as a community about the year 1100, according to Melvin Fowler of the Southern Illinois University.

The museum has been awarded a \$74,800 grant from the National Science Foundation for the study of the "temple town."

Monks Mound is believed to be the largest mound made in North America. It was surrounded originally by a number of smaller mounds, possibly 80, in a series of avenues and plazas in the three-square-mile area.

Archaeologists have been wondering why the community was so large — making it perhaps the first "metropolis" in North America — and why it was built in this area known as the American Bottoms.

Some have suggested that Cahokia Mounds was a huge ceremonial center to which Mississippian tribes came from special occasions, Fowler said. They compare it to the Mayan ceremonial pyramid centers in Yucatan.

Fowler himself thinks it was a large experimental political

center which failed for some reason. Evidence indicates the temple mound exerted a strong influence along the entire Mississippi region.

Although Monks Mound and some 80 other mounds are now protected as a state park, housing developments, industry and highway construction have destroyed about a third of the original site, Fowler said.

Photographic Survey

Under the \$74,800 grant, SIU field teams will cover every foot of the area in an aerial photography survey. A minutely detailed map will be produced from that. All existing data on the area will be collated and a surface study will be conducted on foot.

On the basis of that data, some sites will be excavated. One such site is the one which shows up on aerial pictures made in 1933, that may mark a palisade which surrounded the Indian community.

The Roca Young Men's Club selected Sharon Koch as the "Teenager of the Month" for February for outstanding work in the community, church and school.

SHARON KOCH

Sharon Koch Named

Teenager of Month

The Roca Young Men's Club selected Sharon Koch as the "Teenager of the Month" of February for outstanding work in the community, church and school.

Venice 8th Grade Chorus Sings for Madison Jr. High

The eighth grade chorus of Venice elementary school, complemented by some underclassmen, presented a concert Tuesday afternoon at Madison junior high school under the direction of Mrs. Alice Parker.

Soloists were Jamie Sitten, first grader, singing "I'm a Little Devil"; Barbara Hackney, great eight; Shirley Bales, a third grader; Johnnie Tamm, a grade three; "Now the Day is Over;" The eighth grade quartet of Charles Yearman, Billy Young, Edward Denny and Harry Long sang selections from "Oliver!" and the fourth quartet of Mike Haydon, Terry Peach, Ronald Brawley and Mike Greathouse sang "The Bible Tells Me So."

Selections by the chorus included "This is My Country," "Break Bread Together," "Jesus, Come," "I Love Jesus," "Nava Cool Dips," "All Through the Night," "O Give Me the Hills," "Navajo Trail," "Happy Wanderer," "This Land is Your Land" and "Battle Hymn."

Piano accompanists were Linda Davinney and Debbie Fechier.

Students, 14 to 16, May Hold Some Jobs

Students between 14 and 16 years old may be employed under certain conditions in other than hazardous occupations, the legislature has approved a bill of the superintendent of public instruction has reported.

Wilbur R. L. Trimpie, Madison county school superintendent, sought the opinion of officials of a district superintendent, asking if there any time limit that a student in school may work and if this is covered by the child labor law?

R. W. Deffenbaugh, legal advisor, quoted the following statutes:

"No minor under 16 years of age may be employed between 7 a.m. and 8 p.m. except when permitted to suffice in work in gainful occupation in connection with any theatre, concert hall or place of amusement, except under certain conditions, children between the ages 14 and 16 may be employed but not in hazardous or dangerous occupation."

The law provides that "no minor under 16 years of age between 7 a.m. and 8 p.m." Deffenbaugh said. "It appears that when an individual has reached the age of 17 he may be employed anywhere at anytime."

The summer course planned in High School Math

St. Louis University will sponsor its seventh summer program for mathematically talented high school students Aug. 1-26.

The program, designed to enrich the mathematical development and increase the mathematical and computational ability of talented high school students, is offered under a grant from the National Science Foundation.

Forty students from the greater St. Louis area will take the course. Field trips will be made to several large business and industrial firms to see the use of mathematics in their operations.

The students will be nominated by high school principals and math teachers and selections will be made following a test on April 2.

VHS Students to Assist In Clean-up Campaign

By JUDY REIDELBERGER

Members of the Student Council at Venice high school have been asked to participate in a clean-up campaign month, to be held in May by the city of Venice.

Various ideas have been discussed and a planning and idea meeting will be held on May 1.

The second day of the school year will be met on Tuesday, May 15. A total of 35 pages will be sent to the Taylor Publishing Co.

Some of the pages will deal with personalities, Junior Red Cross, publications, chorus, Future Homemakers of America, Pep Club, Student Council, Athletic Council, teacher helpers, basketball team, the introductory pages, senior students and the index.

The fourth six-weeks period will end on Friday. Students have been studying for tests all week.

Collide in Madison

Two autos were damaged and one motorist was arrested Monday afternoon as the result of a crash at Franklin and State streets in Madison. At about 4:20 p.m., when a car driven by Jesse L. Terrell Jr., 24, of 800 Franklin street, Madison, made a left turn into State from Franklin west, it collided with an auto driven by Mrs. Darlene M. Clapper of 231 Illinois avenue. Terrell was booked on a charge of possessing an expired driver's license. Hearing was set for March 8.

Venice Initiates New Firing Range; Police Plan Youths' Shooting Club Program

Four Enlist Under Army Program

Four Granite City youths recently enlisted in the U. S. Army under the guaranteed training program, it is announced today by Sgt. James E. Maddox, local Army recruiter. All are presently undergoing basic training at Fort Leonard Wood, Mo.

The quintet includes: Paul J. Costello, son of Mr. and Mrs. James T. Costello, 1600 Clark avenue, and Alva Billie Linker of 1600 Clark; and Mr. and Mrs. E. Tinkler sr., 1904 Johnson road, who enlisted under the "buddy plan," with guaranteed dual option of radio code or airborne training. Gerald L. Sherry, son of Michael Warren, 2405 Schermer avenue who enlisted for duty in the Air Defense Command, with assignment to Seattle, Wash.; and David W. Campbell, son of Mr. and Mrs. Earlon T. Campbell, 2176 Bern avenue, who will be assigned for duty in Europe following training.

After four years of work and planning, not to mention the expenditure of a considerable sum of money, the Venice police department has completed and put into use one of the most modern firing ranges in the midwest area.

In initiating the new range, Chief DeWitt, Davies and Patrolman Ben Mangiaracino, who is in charge of the department's firing program, announced jointly that plans have been in a formative stage for several years, to provide a recreation center for Venice youths, providing additional recreation designed to keep youngsters off the streets and provide interests that will keep them out of mischief.

Mangiaracino said he also has been assigned the job of organizing and handling the youth program, already has taken the first step in this direction with bi-weekly meetings of Boy Scouts, which are the first to be organized. These meetings have involved the explanation of guns, how they operate and the safety features necessary to target shooting. Members of the troop, which is composed of 12 boys, will shoot on the range with rifles which are expected to be obtained soon.

Chief DeWitt said if possible, 22 more rifles will be obtained through donations, as some of the material and equipment necessary to completion of the firing range.

Plan Shooting Teams

Organization of boys' shooting clubs will get underway as soon as enough rifles can be obtained to conduct regular competitive shooting by shooting teams that also will be organized.

Mangiaracino said present plans call for organization of shooting clubs in various age groups and in the proper number that will facilitate the setting up of teams for competition in different age groups. Shooting rates will be set so that more individual attention can be concentrated upon the prowess of the groups.

Members of the boy scouts are now gathering at the range site every Saturday morning at 9 a.m. The number of meetings will be increased steadily until a well-rounded youth program is operating, DeWitt said.

Completion of the firing range site has cleared the way for initiating required qualifying shooting by members of the police department. Each of the 15 members of the police department will be required to qualify.

38 caliber rounds each month and maintain a reasonable score. Failure to keep up with what is judged a minimum rating will require additional practice, DeWitt said.

In City Garage

The range was built in the basement of the street department garage on Klein street, a short distance north of the Venice police station on the city line. The long room which permits a 75-foot shooting range from the firing stalls to the target line was planned as part of the garage when it was built in early 1960.

Actual work on the range got off to a slow start, however,

GUN CLEANING is an essential clima to pistol shooting on any range. Patrolmen Mervin Langston (left) and Raymond Mikolaszuk of the Venice police department perform the ritual after firing qualifying rounds.

BEN MANGIARACINO, in charge of the Venice police department firing range, adjusts motor that carries targets to and from the shooting line at the new Venice firing range. Patrolman Dewey Brawley, in background, fires at target 75 feet away.

interests for men on the force and that regularly scheduled shoots permit a social mingling that is enjoyed by the men. Officers of other police departments in the area frequently drop in and join in the shooting.

Ammunition, consisting of re-loaded cartridge cases to cut down expense, and targets are furnished by the city. The officers use their own service revolvers in qualifying shoots.

Million-Volume Library Seen at SIU, Carbondale

A prediction that Southern Illinois University's Carbondale library would eventually reach a million volumes within the next two years was made today by Ralph E. McCoy, director of libraries.

Growth during the last 10 years from 160,000 to more than 800,000 volumes, he said the SIU library has moved up from the rank of 12th in size among the nation's libraries to 52nd place. It ranks 13th, however, in the total number of books acquired annually, and last year it added 163,000 to its shelves.

"During this 10-year period," he said, "library users have continued to grow annually at a greater rate than student enrollment. This fall, with a 25% increase in the enrollment on the Carbondale campus, general library circulation has increased more than 10% and the circulation of reference books more than 40%."

"The number of motion picture films used on the Carbondale campus this year has increased 35% over last year."

It has been 10 years since the library moved from old Wheeler Hall, built in 1903, to the basement of the new Morris Library, the only public building on the hilltop that is complete. Now the building has been expanded from three floors to eight floors. A new library has been constructed at the SIU-SW campus and a substantial book collection has been started there.

Over 500 Youngsters to Participate

Park District's Winter Carnival to be Staged Next Week

For the sixth consecutive year, a capacity audience is expected to view the annual "Winter Carnival" sponsored by the Granite City park district to be held at 7:30 pm. Tuesday in Memorial gymnasium at Granite City high school.

More than 2100 tickets already have been distributed for the event which serves as a showcase for over 500 youngsters presently participating in winter programs sponsored by the district. No admission charge for the two-hour show, however, a ticket is required for admittance.

Group performances will spotlight gymnastics and tumbling, exhibition matches; a new feature—baton twirling; and a square dance sequence, involving 200 young dancers. Originally, the highlight highlighted the square dance program alone.

GC Auto Stickers Go on Sale April 18

The new auto sticker license for Granite City have been delivered and will go on sale April 18—in advance of the May 1 deadline—it was announced this week by Clerk Homer (Cal) Pendleton.

Fee for an auto license is \$3 for the year, and the rate varies for trucks, depending on size.

The sticker has received 14,000 of the orange-colored auto stickers, Pendleton said, pointing out 12,670 have been sold during the current fiscal year.

In addition the city has received 950 stickers for trucks, 300 for distributors and 25 for service cars.

The stickers cost the city \$45.

Auto Struck in Rear

Stopping for a rail signal at Edwardsville road near 20th Street, the driver of Charles Alexander, 200 North Avenue, was struck in the rear by another driven by Lloyd L. Taylor, 203 Beechwood street, Madison, at 5:40 p.m. Monday. Taylor was charged with careless driving.

SIU Students—Guests

Viewing the proceedings will be Dr. William H. Ridinger, head of the recreational and outdoor education department at Southern Illinois University, Carbondale campus, who will be accompanied by 30 to 40 SIU graduate students. The group will make their corner of the gymnasium their home base each day and participate in three educational seminars arranged by the university official and Harold Brown, Granite City park superintendent.

The latter announced today, the instruction series will cover three phases in park operations—planning, maintenance and park administration procedures. The SIU students will make an inspection tour of the various facilities prior to attending the carnival event.

To open the show, Warren L. Simkins, high school vocal music instructor, will lead the

national anthem, and a welcoming address will be given by Milton Worthen, park district vice-president. Park District President Barry Clegg, who will feature in this year's winter activities, will perform to Hawaiian, Irish and naval melodies, led by Misses Mary Chamberlain, Cheryl Orlan and Cheryl Gandy.

Pre-Scholars Program Attracted in Irish costumes, the pre-scholars will initiate the extensive program by singing two songs. The children, who attend classes in the primary center in Lincoln Place, also will play home-made rhythm instruments, under the direction of Mrs. Ruby Mayberry, Mrs. Carol Chappell and Miss Cheryl Orlan.

Using a mini-trampoline, vaulting box and side horse, an exhibition of gymnastics and tumbling will follow, presented by beginners, intermediate and advanced students, supervised by Mrs. Robinson, Karen Johnston and Bruce Thompson.

Simultaneous wrestling match-

es by seven, eight and nine-year old boys will display their skills and teaching techniques in a program directed by Tom Skoosh, youth director.

Other highlights of the program feature in this year's winter activities, are to perform to Hawaiian, Irish and naval melodies, led by Misses Mary Chamberlain, Cheryl Orlan and Cheryl Gandy.

Miss Helen Bjorklund will direct the square dance series performed by youngsters who participate in the park district's girls' school programs. Assistant Mrs. Bjorklund will be Louis Kibow, Mike Spers and Miss Earlene Schieber.

Due to installation of a new gym floor, the modern basketball game will not be shown this year, Brown said. He added that participants will be recognized along with their instructor, Miss Orahood.

GC Steel Sets Records in Payroll, Sales

Granite City Steel Co. sets a series of new records in 1965, including the highest payroll and the largest amount of sales in any year of the company's history. Nicholas P. Veeder, chairman of the board and president of the steel firm, said Monday afternoon in the company's annual report.

Veeder predicted another good year for the steel industry.

"The general economy is very strong," he said.

The report said that Granite City Steel, largest steel company in the midwest, put an all-time record \$1,194,000 into the economy in 1965 in the form of wages, salaries and employee benefits. This was three times more than the 1964 payroll of \$394,000. Acreage number of employees rose to 966 from 552 in 1964.

He pointed out that the company negotiated three-year contracts with the United Steelworkers of America and other unions representing production and maintenance employees.

The report added that the "new contracts will lead to the substantial improvements in the company's working facilities."

Developing Ore Mine

"A basic oxygen furnace shop and the new hot strip mill are going up at our plant in Granite City," he said.

"We are developing an iron ore mine at Pilot Knob,

Mo., on a 50-50 basis with the Hanna Mining Co. We will move into construction of the fourth main project—a new continuous galvanizing line—the latter this fall.

Veeder said the company's

stockholders that construction is "well under way" on three of the four main facilities involved in the largest program of modernization in the company's history.

Lists Tax Costs

City—the larger steel markets ahead.

Steel's operations in 1965 for one important aspect of the federal income taxes was \$3.

program is the fact that our new

federal income taxes were \$4.

Facilities will tie in very closely

241,000 including \$2,203,000 in with other plant improvements

local property taxes. Granite City Steel is the largest single taxpayer in Madison county which contains much of the area around the plant.

Sales and earnings, the report

said, amounted to \$166,551,000 in 1965 and were the highest for any single year in the company's history.

Net income, after taxes and a special charge for pension plan obligation, amounted to \$10,151,000 or \$2.34 per share of common stock.

NOTICE IS FURTHER GIVEN, that a report of such election has been filed in the Circuit Court of said County, and application has been made for confirmation and appointment of said Electors to the Circuit Court. An election will be held on March 24, 1966, or as soon thereafter as the business of the Court will permit.

NOTICE IS FURTHER GIVEN, that if no cause to the contrary be shown as provided by said Order, such appointment shall be confirmed by order of Court on said last mentioned date, as provided by law.

IN WITNESS WHEREOF, I, EULALIA HOTZ, Associate Clerk of the Circuit Court of said County, have hereunto set my hand and affixed the Seal of said Court this 24th day of February A.D., 1966.

EULALIA HOTZ
Associate Clerk of the Circuit Court

National Security Meet Set for SIU-Carbondale

The background and current state of agencies responsible for national security and the financing of security will be discussed at a National Security Seminar March 21-April 1 at Southern Illinois University, Carbondale.

The period has been proclaimed "National Security Seminar Time" in Illinois by Gov. Otto Kerner.

The seminar will be conducted by the Industrial College of the Armed Forces, which has 200 students and citizens of Illinois, Indiana, Missouri and Kentucky. Cpl. Milton J. Weber will discuss economic aspects of security and the economics of nations in the Middle East and South Asia in five sessions of the seminar.

Vandals Damage Phone
Any telephone at Second and Jackson streets in Madison was damaged apparently by vandals; it was reported to Madison police on Tuesday.

Public Notices

NOTICE TO CONTRACTORS
Sealed proposals will be received at the office of the City Hall of Madison, Illinois, from 2:00 P.M. to 4:30 P.M., on Thursday, March 17, 1966, for work to be constructed under the Motor Fuel Tax Law, and at the time public notice is given.

The proposed work is officially known as Section 29-Q-C (Madison) and Section 82-Q-C (Grande City) and consists of Combination Construction of Combination Concrete Curb and Gutter, concrete Excavation, Concrete Sidewalks, Buried Lines, Storm Drainage Substation, 14' on a 12' Crushed Stone Base, Type A, and other incidental work for the improvement of McCormac Avenue.

Plans and proposal forms may be obtained from the office of Sheppard, Morgan & Schwab, Consulting Engineers, 100 Edison Street, Granite City, Illinois, upon deposit of \$20.00 which will be returned to actual bidders upon return of the plans and specifications in five (5) days after bid opening. All proposals must be accompanied by a cashier's check for \$10.00, or a cashier's check for ten (10) percent of the amount of the bid, as provided in the Standard Specifications for Road and Bridge Construction prepared by the Department of Public Works and Buildings of the State of Illinois.

Each bidder, in evidence of his compliance with the requirements of the awarding authority as a prerequisite to the release of proposal forms by the awarding authority, a certificate of payment, copy of a "Prequalification Rating Notice" issued by the Department of Public Works and Buildings of the State of Illinois, in accordance with the prevailing rate of wages, as determined in accordance with the Federal Wage Law, shall be required to all laborers, mechanics, and other workmen employed in the construction of this improvement.

The City reserves the right to reject any and all proposals and to waive technicalities.

BY ORDER OF THE CITY COUNCIL OF MADISON, ILLINOIS.
Percy Lux, City Clerk.

EIGHTH BIRTHDAY PARTY
Mrs. Paul Morris and daughter, Catherine, entertained in their home Sunday afternoon a party in honor of their daughter and sister, Jan, on her eighth birthday.

A Cinderella theme was carried out in the decorations with a Cinderella doll as a centerpiece on the serving table.

Games were played and prizes were awarded to Jo Mary DeWitz, Linda Kervaric, Mary Ann Butz, Connie Sibbald and Patricia Bickus.

Following the opening gifts, a dessert luncheon was served to the party guests to the prize winners and Mary Clary Beatty, Bonnie and Mary Brattin, Jayne Harding, Ann Faber, Patricia Hilt, Elizabeth Johnson, Janet Jakiich, Dolon Portell, Peggy Smolich, Carolyn Godin, Lori Matolick and Ann Langley. The hostess, Mrs. Barbara Douglas, also was present.

ENTERS NURSING HOME

Mrs. Pearl Nursing, 2905 Edwards street, has entered Colonnades Nursing Home for a few weeks. Friends may visit her there. * * *

GUEST MINISTER

Central Christian Church had as its guest minister Sunday Dr. Joseph M. Smith, executive secretary of the East Asia Department of the United Christian Missionary Society, from Indianapolis.

Prior to July 1964, Dr. Smith was associate professor of missions and history of religions at Christian Theological Seminary in Indianapolis. A former missionary to China and the Philippines, he is in charge of the work of the Christian Churches in East Asia, including work with united church bodies in Okinawa, Japan, Philippines, Thailand, Indonesia and specialized work in Hong Kong, Indonesia and Taiwan.

Earlier, an informal supper was held at the church for those who expressed a desire to visit Dr. Smith. Mrs. David Parrish and Mrs. John Gordon were hosts at the serving table.

The tables were decorated with red and white streamers and each table held three green and white candles in candelabras. A floral centerpiece intermingled with fruit was used on the tables.

Reverend James Craddock gave the invocation, and an informal question and answer period followed the dinner. Mrs. Emma Ladd was the only member of the congregation present after the dinner.

Dr. Smith is the brother of Mrs. Craddock, wife of the pastor of Central Christian Church.

FELLOWSHIP SERVICES

HONORS RON KELLY
A fellowship service was held at Emmanuel Baptist Church Sunday evening following the evening service. Ron Kelly, who is leaving Granite City, has been music director of the church for the past year and a half.

Ladies of the church prepared and served refreshments to the 65 guests present. Al LeGrand, chairman of deacons, presented him with a gift from members of the church. * * *

A Central Christian Church social is to be held Saturday at 6:30 p.m., sponsored by the YAC class. The boxes will be decorated.

On March 12, a scout chili supper will be from 11 a.m. to 7 p.m. at the church. Boy Scouts and Cub Scouts sponsored by the church will be hosts and tickets are available from any of them. * * *

Area's Traffic Crash Injuries Up in '66

While the Quad-Cities two-month traffic accident statistics showed a marked increase in the number of personal injuries, both the number of fatalities and the number of crashes showed slight declines this year compared to the corresponding period of 1965.

Traffic accidents in the area in February dropped by 16 below the January figure to a total of 187 crashes with 91 injury cases, and the number of deaths fell to 11, down from 13 in January.

Traffic fatalities remained on a par—two in February and two in January for a total of four for the first two months. There

License Revoked, Three Others Are Suspended

The office of Secretary of State Paul Powell announced Wednesday the revocation of the driver's license of Kascell Jennings, 201 Main, who was involved in three traffic violations.

Also announced were suspensions of the licenses of Edmund L. Castle, 2118 Missouri; Donald C. Leonard, 1001 1/2 Main; and Charles W. Milian, 2005 Kirkpatrick Homes. All suspensions were made because of triple traffic violations.

Mr. and Mrs. Ernest Barry, maternal grandparents, Mr. and Mrs. Granemann, 1001 1/2 Main, and an uncle, Leslie Mitkus Jr., St. Paul, Mo., a student at St. Paul's College.

Michael Christopher is the only child of Mr. and Mrs. James Christopher, who were unable to attend as he is now stationed in Vietnam. He hopes to be home in June. Mrs. Mooney, formerly Sandra Mitkus, is residing with her parents until her husband's return. * * *

A meeting was held Monday afternoon for Junior Girl Scout Troop 1007, sponsored by Froehardt School, at the school. Sandy Voss and Reverend Michael Christopher, who had been a patient for a week undergoing several tests, attended.

The girls spent the afternoon learning the handkerchief game. They also formed a circle, holding hands, and made a wish. The meeting ended with singing of "Taps."

Also present were the leaders, Mrs. Robert Russell and Mrs. Bob Voss, and Millie Fleener, Sherry Gilliland, Darla Smalley, Darla McGarvin, Jeanna Turner, Vicki Miller, Dawn Voss, Cindy Johnson, Cindy Hulse, Debbie Milton and Christine Roth.

Mr. Robert Criley, 9 Bermuda Lane, who has returned from Barnes Hospital, St. Louis, following minor surgery, will continue her convalescence in her home. * * *

CHRISTENING DINNER

Mr. and Mrs. Leslie Mitkus, 201 1/2 Forest avenue, entertained Sunday with a Christening dinner in honor of their grandson, Michael Christopher Mooney, infant son of their son-in-law and daughter, Mr. and Mrs. James Mooney.

He received Holy Baptism during the morning services at Hope Lutheran Church. Rev. Alfred Bals performed the ceremony.

The dinner was to be the highlight of the day, to be the daughter to her husband and daughter, and the godparents.
